FM16FD60B/97

Easy to use, plug and play!

Swap files in a flash!

The Philips USB flash drive Eject 2.0 edition offers a quick write & read speed associated with a easy and convenient use thanks to the Philips eject function.

Benefits

Designed for you

- Trendy USB stick due to colorful design
- Easy opening and user friendly packaging
- Easy and convenient eject function

Everything you need

- Activity indicator lights up when copying files

Performance and capacity

- Fast data transfer with high-speed USB 2.0
- 16GB storage capacity for large data files

Features

Trendy colorful design

Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

Easy opening experience

The markings and perforations on the packaging show you the best way to open your packaging and get quickly access to your USB stick without hassle.

PHILIPS

Fast data transfer

High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Easily eject

Never lose your cap again! No more cap, the USB connector is integrated and hidden in the product design. To bring it into use, you only have to press the colored button. It will make the USB connector appear, and then, plug the stick in and play!
