

PHILIPS

Internal drip tray
cover

Xelsis, Accademia

HD5090

Covers the espresso machine's rest water tray

Please check specifications for compatible products

The rest water tray, located underneath the brewing group of Saeco, Saeco Xelsis and Gaggia Accademia espresso machines collects the residual water in your device. This lid is designed to cover it. Easy to remove and clean!

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.

Specifications

Replaceable part
