- Triple display up to 4K@60 Hz
- Integrated 20 cm cable

Packing content
1x IB-AD1030-C
1x Manual

More screens. More clarity. Triple HDMI®
Expand your screen space with support for up to three HDMI® displays. Ideal for multitasking, you can connect multiple monitors to create a wider digital workspace using just one adapter, no complicated setup or extra hardware required.

Brilliant 8K resolution on one monitor

Enjoy sharp, detailed visuals with support for resolutions up to 8K on Windows®. A single connected monitor can reach up to 8K@60 Hz, delivering crisp image quality for high-resolution content. Ideal for modern displays, this adapter supports clear output across a wide range of use cases.

One port does it all

Designed for devices with a USB Type-C® port, this adapter makes display expansion quick and easy. A single connection gives access to multiple video outputs, offering a simple and clean solution for adding external monitors to supported notebooks or tablets.
