

# PURE LOOP 3

360mm · 280mm · 240mm

## IDEAL APPLICATIONS

Advanced gaming PCs  
High-resolution multimedia systems  
Overclocked water-cooled systems

## HIGHLIGHTS

PWM pump features 6-pole motor with 3 phases  
Very quiet Pure Wings 3 PWM high-speed fans  
Daisy chained PWM fans

### Supreme and quiet cooling

Pure Loop 3 is the impressively high-performing and silent All-in-One water cooling unit for users with overclocked systems. Pure Loop 3 is for all the purists out there that like their cooling power subtle and unagitated.

### Highlights

- Impressively high cooling performance for all consumer CPUs
- State-of-the-art PWM pump with 6-pole motor reduces vibrations to an absolute minimum
- Up to 3 Pure Wings 3 120mm PWM high-speed fans with closed loop motor and funnel-shaped air outlet offer high static pressure with very quiet operation
- Daisy-chained PWM fans for maximum convenience
- Flexible sleeved tubes and a simple mounting ensure easy handling
- Easy-to-access refill port for convenient handling
- Neat design language with elegant looks and subtle details
- 3-year manufacturer's warranty
- Product conception, design and quality control in Germany

# PURE LOOP 3
