

DEQSTER Prime Keyboard, iPad Pro 11" (M4 / M5)

90-PKU5

Overview

CLASSY. ROBUST. READY FOR THE FUTURE.

The ultimate iPad keyboard case with a reliable USB-C cable connection.

The premium and splash-resistant Full Area Glass Trackpad features a complete glass surface, offering precise, top-tier operation.

The DEQSTER PRIME Keyboard stands out for its durability and exceptionally comfortable handling.

Equipped with two USB-C ports and tamper-resistant keys, it is built for long-term, heavy-duty use.

Highlights

- Plug and GO via USB-C
- no pairing or charging
- splash-resistant, tamper-proof design
- dual USB-C ports for data and accessories
- full area glass trackpad
- adjustable kickstand
- stylus holder compatible with DEQSTER, Apple, and Logitech

DEQSTER Slim Pro M, iPad (10. Gen. / A16)

90-SPB2B

Overview

The SLIM PRO KEYBOARD blends elegance, mobility, and performance into a single design. Featuring an ultra-lightweight yet robust construction, it is perfectly suited for flexible learning, creative projects, and daily productivity. The adjustable kickstand provides a working angle of up to 60°, while Bluetooth 5.0 and a long-lasting battery ensure reliable wireless connectivity. With drop protection up to 0.8 m and a precise multi-touch trackpad, it is the ideal companion for both students and professionals.
