Sandberg USB-C to 8xUSB-C+2xUSB-A 100W is an advanced data hub that offers massive port expansion through a single USB-C connection. With a total of eight USB-C ports and two USB-A ports, you have plenty of space to connect external drives, adapters, and other USB devices simultaneously. All ports support high data speeds up to 10 Gbps, allowing you to work efficiently without bottlenecks. The sleek aluminum housing makes the hub robust, compact, and suitable for both stationary and mobile use. A professional solution for those who need maximum USB expansion.
