Bluetooth Portable Speaker

Vivolink X10 – Bring Sound to Life
Unleash powerful sound wherever you go

The **Vivolink X10** is engineered to elevate every moment with rich, dynamic audio and deep bass that fills any space. Whether you're hosting a backyard party, relaxing at home, or exploring outdoors, the X10 delivers stunning clarity and punchy power — all in one sleek, portable design.

Immersive Performance

With an impressive 60W output, the X10 transforms your music into an unforgettable experience. Its wide 80Hz–18kHz frequency response ensures crystal-clear highs, detailed mids, and powerful lows that let you hear — and feel — every note.

Seamless Connectivity

Equipped with the latest Bluetooth 5.0, the X10 ensures a fast, stable, and energy-efficient wireless connection. Pair your device effortlessly and enjoy uninterrupted playback across longer distances.

Power That Lasts

Built with a high-capacity lithium-ion battery, the X10 gives you up to 8 hours of continuous playtime — perfect for your longest playlists or outdoor adventures. And when it's time to recharge, the USB Type-C fast charging gets you back to full power in just 3 hours.

Designed for Life on the Go

Compact yet robust, the X10 weighs just 1.22kg, making it easy to carry anywhere. Its durable design and quality craftsmanship make it the perfect companion for travel, leisure, and everything in between.

Bring Sound to Life

Experience music the way it was meant to be heard — bold, pure, and full of life. **Vivolink X10** — your sound, your style, anywhere.
