

HP LaserJet Pro 4007dn Printer

Ultimate business printer for powerful productivity

Experience powerful printing performance for your business. This HP LaserJet Pro offers ultra-fast print speeds, effortless setup & management, & easy mobile printing in a compact design. Plus, future-ready security to help protect your network.

Highlights

- High-quality, reliable prints
- Quick and easy setup
- Easy printer management
- 250-page input capacity
- 100-page multipurpose tray
- Optional 550-page input feeder
- Compact design

Get speed, reliability, and quality in one

Easily handle high-volume print projects with ultra-fast automatic 2-sided printing. Deliver all your print projects quickly with fast print speed up to 45 A4 pages per minute.¹ Rely on consistent, high-quality prints with low maintenance HP Toner Cartridges that don't require cleaning. Get high-performance printing that doesn't eat up space with a compact printer that fits into your business.

Simplify work & print management

Get your office up and printing in a few easy steps with quick and simple set up. Easily onboard users & monitor security & toner levels remotely with a smart dashboard for simple management. Don't wait to get back to your desk. Print from your mobile devices with the easy-to-use HP app.² Get the latest software updates & new productivity features that keep your printer evolving with your needs.

Protect your business with leading-edge security

Get future-ready security with the world's first printers to protect against quantum computer attacks.³ Keep your data secure - print jobs & sensitive data are never stored on the printer & erased after every job. Safeguard your printing system with toner designed with tamper-resistant chips, firmware, and packaging.⁷ Streamline security compliance and management across your fleet with the optional HP Security Manager.⁴

Save energy and help reduce waste

Get exceptional print quality with next-generation TerraJet Toner designed for low-energy printing.⁵ Less wasteful by design - this printer is made with recycled plastic⁶ content to help reduce waste. Help reduce plastic waste with TerraJet Toner Cartridges designed with recycled plastic.⁸ Meets strict sustainability criteria for Blue Angel certification.⁹

- ⁹ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- ¹⁰ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ¹¹ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
- ¹² Typical Electricity Consumption (TEC) rating represents the typical electricity consumed by a product during 1 week, measured in kilowatt-hours (kWh).
- ¹³ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Energy Star value typically based on measurement of 115 V device and 230 V for Blue Angel.
- ¹⁴ Declared yields based on ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see <http://www.hp.com/go/toneryield>
