

Solar Charger 60W Lightweight

Item no.:

421-43

EAN:

Sandberg Solar Charger 60W Lightweight is a powerful solar charger for users who need reliable power when away from electrical outlets. The foldable design makes the panel easy to transport, while the high output allows it to power more demanding equipment. The monocrystalline solar cells deliver up to 60W and support charging via USB-A, USB-C and 18V DC output, making the panel suitable for powerbanks, battery solutions and compatible outdoor equipment. The high efficiency ensures good use of sunlight under varying conditions. With its robust construction and practical design, Sandberg Solar Charger 60W Lightweight is a solid choice for camping, outdoor and off-grid use.
