

MPN: LVR-CAT5E-UTP-LSA

# Cat5E 1U 24 Port Patch Panel U/UTP LSA

The Lanview LVR-CAT5E-UTP-LSA 19" UTP Cat.6 patch panel offers a high-density, reliable solution for your network infrastructure.

This 24-port patch panel is designed for standard 19-inch rack mounting and features LSA And (Insulation Displacement Connector) for easy and secure cable termination.

Meeting Cat5e specifications, it ensures optimal performance for high-speed data transfer in demanding network environments.

Built with premium quality materials and adhering to European design standards, the LVR-CAT5E-UTP-LSA guarantees long-lasting durability and consistent performance.

Benefit from 20+ years of experience in providing pioneering connectivity solutions and streamline your network management with this essential component. This patch panel provides a clean, organized, and efficient cabling solution for any professional network setup.

- LSA Termination
- CAT5e
- Full box consist of 10 pcs.
