ProArt Backpack (PP2600)

Carry your world, create without limits

Crafted from water-repellent and scratch-proof materials, the lightweight and durable ProArt Backpack is the perfect companion for the urban jungle. Numerous compartments offer ample storage to keep essentials organized and within arm's reach. It's time to step out into adventure and create without limits.

Creative Explorer

Curiosity sets creators apart.
We believe tools should free us, not shape us.

ProArt is more than a device – it's a space for liberation, exploration, and quiet excellence, where creativity, functionality, and authenticity shape meaning in the everyday, empowering creators to capture, explore, and express.

office / school

Key Usage Scenarios

Adapts to professional and creative scenarios, empowering users to stay ready – anytime, anywhere.

For Professional Engagements

A sleek, understated design that delivers a refined look – ideal for meetings, presentations, and client-facing environments.

For Creatives on the Move

Durable, stain- and scratch-resistant materials with a stable base support creative work in motion, keeping gear protected and ready to create.

For Everyday Carry

Premium materials and well-organized compartments provide dependable protection and easy access for day-to-day work essentials..

Function Meets Refined Aesthetics

The ProArt PP2600 Backpack embodies a minimalist yet professional aesthetic, elevated with exclusive brand identity details.

Built to Endure, Designed to Protect

Engineered for daily reliability, the ProArt PP2600 Backpack is crafted from matte water-repellent polyester, offering superior resistance to scratches and stains.

Smart Space, Effortless Organization

Function meets refined aesthetics

Every detail is meticulously thought out – from premium zippers to convenient features such as a hidden back pocket, luggage strap, and two dedicated compartments for 16- and 14-inch notebooks.

An adjustable chest strap ensures stability while on the move, making ProArt Backpack perfect for work and travel.

PU polyester construction

Thoughtful details

Travel with comfort and ease

Optimized Compartments for Limitless Creativity

Organized compartments allow creators to carry all essential gear at once, providing the freedom to create without boundaries anywhere.

Laptop compartments

The two dedicated laptop compartments can accommodate a 16-inch and a 14-inch laptop.

Main compartment

The main compartment opens a full 180° for quick access to a camera bag and other devices.

Versatile pockets for everyday essentials

Every accessory has its place. With dedicated pockets for your phone, cables, and valuables, you can stay organized and keep your creative flow uninterrupted.

Multiple interior pockets

Numerous interior pockets keep gear neatly organized.

Two side pockets

Two elastic pockets on either side are designed to keep water bottles firmly in place and within reach.

Three front pockets

Three front pockets keep small essentials like keys and access cards close at hand.

Hidden pocket

Concealed pocket keeps valuable secure and out of sight.

Optimized space, effortless organization

Thoughtfully designed and featuring a padded compartment for up to a 16-inch laptop, ProArt Backpack perfectly balances spaciousness and form. Inside and out, the backpack ensures effortless access to gear, cameras, and cables when needed.
