Data Sheet

Predator Galea 370

Galea 370 Gaming Headset

Pinpoint enemy audio with 50mm drivers and stay loud and clear through dual omnidirectional mics with ENC. Inline controls make in-game audio management seamless.

IMMERSIVE AUDIO DOMINANCE

Equipped with powerful 50mm drivers, it delivers deep bass and crisp highs—ideal for pinpointing enemy footsteps, reloading sounds, and explosive action cues.

DUAL-MIC ENC, CLEAR COMMS

Whether using the detachable omnidirectional boom mic or the onboard mic, ENC technology continuously suppresses ambient noise to highlight your voice.

INLINE CONTROLS, TOTAL COMMAND

Control volume, toggle mic mute, and activate 3D audio or 7.1 surround— directly from the inline controller. Stay focused with easy-access audio settings.
