

# Lenovo Wireless Speakerphone 6000

Professional sound for high-impact work.

Certified for  
Microsoft Teams

Smarter  
technology  
for all

Lenovo

## Overview

Brilliant audio is now essential. The Lenovo Wireless Speakerphone 6000 combines eight beamforming microphones with intelligent AI-powered noise cancellation to silence distractions and prioritize your voice. From the high-fidelity speaker to its Microsoft Teams certification, every detail is engineered for the high-stakes enterprise. It's wireless, powerful, and ready for the hybrid era.

## Target Audience

Hybrid Professionals

## Key Features

### Hear the future of work

Command the room with 50 mm drivers delivering cinematic audio. Eight intelligent microphones capture every nuance, ensuring your office stays synchronized and perfectly heard.

### Let distractions fade away

Our intelligent AI-powered noise cancellation identifies and eliminates unpredictable background chaos, keeping your team focused and your meeting sounding crisp and authoritative.

### Microsoft Teams certified

Experience unrivaled audio precision and seamless Microsoft Teams integration. With a dedicated button for instant action, you'll control every call with confidence.
