

PERFORM GO 4

Clearer calls. Wherever work takes you.

Features

BUILT FOR MOBILE WORKERS

- **Designed for on-the-go workers:** Ideal for drivers, tradespeople, contractors, and mobile workers who rely on clear, handsfree communication.
- **Lightweight, discreet design:** Sits comfortably and secure on either ear for long days spent moving between tasks.
- **Intuitive call controls:** Allows quick, phone-free operation so you can keep your hands on the job.

HEAR AND BE HEARD

- **Up to 93% microphone noise cancellation:** Cuts through loud environments so your voice stays clear, professional, and easy to understand - even around engines, tools, or traffic.¹
- **Dual-mic beamforming technology:** One mic targets your speech while the other reduces background noise so you can hear and be heard first time in noisy workplace environments, giving callers a cleaner version of your voice with fewer repeats.
- **Intelligent noise-cancelling algorithms:** Further enhances voice pickup so people hear you - not your surroundings.
- **10mm optimized speaker:** Delivers crisp, clear incoming audio so you can easily hear the person on the call, even in busy or noisy environments.

PHONE-FREE CONVENIENCE

- **Up to 300ft / 100m Bluetooth® range:** Stay connected even when your phone isn't on you - perfect for working across sites, away from your vehicle, or in a workshop.
- **Flip-to-answer/mute microphone boom arm:** Manage calls quickly without getting distracted from the job at hand, or having to reach for your phone.
- **Voice controls for answer/reject:** Supports hands-free operation to keep you moving safely and efficiently.

DESIGNED FOR ALL-DAY MOVEMENT

- **Secure, stable fit:** Stays comfortably in place during driving, lifting, or moving in and out of vehicles.
- **Multi-connect for two devices:** Stay reachable on both work and personal phones without switching setups.
- **Supported by the Jabra Plus Mobile App:** For easy setup, updates, and customization of the headset button to mute/unmute calls, receive battery status and more.
- **Locate your lost headset:** Pinpoint a misplaced device with the Find my Jabra feature on the Jabra Plus mobile app.

POWER THROUGH YOUR DAY

- **Up to 11 hours' talk time - 10% longer than the nearest competitor:** Keeps you powered from the first call to the last.²
- **Replaceable battery:** Extends the product life and supports more sustainable long-term use.
