

Epson Lifestudio Flex Plus — EF-73 Night Black

A stylish, luxury-inspired 4K PRO-UHD projector designed with advanced immersive image and audio technology to elevate your lifestyle.

A sleek 4K PRO-UHD smart TV projector, designed with a luxury-inspired, sophisticated aesthetic and ambient lighting to elevate any living space. Featuring advanced image and audio technology, a flexible stand with adjustable angles, integrated wireless phone charging and easy setup — all combined to deliver a seamless, immersive big-screen experience.

Luxury-inspired design

Elevate any living space with a rich black gloss finish in dynamic contrast to understated gold accents, blending sophistication with contemporary style. Complemented by ambient lighting to create the perfect atmosphere.

Functionality meets flexibility

Enjoy everyday convenience with wireless phone charging built into an integrated adjustable stand. With 180° horizontal and +45°/-15° vertical adjustment, combined with Intelligent Instant Setup, it delivers seamless projection flexibility.

Up to 3x brighter images*

Transform your home entertainment with bright, detailed 4K PRO-UHD visuals powered by Epson's 3LCD x RGB-LED technology and 1,000 lumens of brightness, delivering vivid, natural colours with no rainbow effect on projections up to 150 inches.

No extra speakers needed

Feel immersed with impactful, room-filling audio featuring Sound by Bose and Dolby Audio advanced technology. The custom-designed stereo system creates sound you can feel, delivering rich, balanced audio with deep bass. With Bluetooth connectivity for standalone speaker use.

Entertainment you love, with a little help from Google

Access your favourite content from across your apps and subscriptions in one place with Google TV, featuring 400,000+ movies and TV episodes across 10,000+ apps. Use Google Assistant voice commands to control your projector and Google Cast to stream directly from your smart devices.

Low-maintenance, long-life solution

Enjoy up to 10 years of worry-free entertainment. Featuring a long-life LED light source with no need for lamp replacements, this projector is designed for frequent use with minimal maintenance, all backed by a 5-year warranty for added peace of mind.

KEY FEATURES

● Refined modern design

A rich black gloss finish, contrasted with gold accents blends, sophistication with contemporary style, complemented by ambient lighting to create the perfect atmosphere.

● Wireless phone charger

A stand with integrated wireless phone charging adds everyday convenience, with 180° horizontal and +45°/-15° vertical adjustment offering enhanced projection flexibility.

● Bright, vivid 4K PRO-UHD clarity
