

WorkForce DS-530III

This cost-effective sheetfed document scanner improves workflows and offers outstanding performance for quick document digitisation

With powerful media handling and smart features to ensure a high level of data integrity, the WorkForce DS-530III is designed for highly-efficient and simple integration into any organisation's workflow. With a 60-page ADF and the ability to scan at up to 40ppm/80ipm, it offers a wide range of media handling options that enable you to quickly capture, index, store and share business documents.

Competitively priced

This 40ppm business scanner meets the needs of price-conscious small/medium businesses and home office users.

Reliable and easy to use

No specialist knowledge is required to set up and operate the DS-530III business scanner. As well as a user-friendly interface, it's equipped with intuitive software and can be set up quickly and easily.

Flexible connectivity

High-speed USB 3.2 with TWAIN and ISIS drivers for enhanced compatibility with Document Management Systems.

Impressive media handling

With the DS-530III, you're able to scan documents of different sizes and thickness.

Scan quickly - save time

Quickly and easily digitise business paperwork with this high-speed, auto-duplex scanner (up to 40ppm/80ipm). The DS-530III also features auto-duplex capability with 60-sheet ADF capacity.

KEY FEATURES

- **High speed**
Scan speeds of up to 40ppm (80ipm) at 300dpi
- **Device flexibility**
PC and Mac software allows total control of the scanner and scanning destinations.
- **Media flexibility**
Handles documents of different sizes and quality with ease.
- **Document protection as standard**
Epson's paper protection sensors automatically stop feeding when a paper jam is detected, to prevent document damage.
- **Easy to use**
Highly-intuitive user interface

PRODUCT SPECIFICATIONS

TECHNOLOGY
