Neomounts WL15-603BL1 Tablet casing - lockable (incl. lock) - VESA 75x75 - suitable for 14.6" Samsung tablets - for modular set up with variety of desk and floor stands - Black

The Neomounts WL15-603BL1 is a tablet casing that can be installed both in portrait and landscape orientation. The tablet casing features an anti-theft lock and can be installed on suitable Neomounts stands.

The strong aluminum construction ensures safe and solid placement while the cable management system enables cables to be routed within or outside of the casing. A cable with a right-angle connector can be useful for the best installation. The clever design makes the casing suitable for 14,6"* Samsung tablets.

The tablet casing is part of a modular set up and must be combined with one of the following stands:

DS15- 629BL1: desk stand - for desk or wall mounting

DS15- 631BL1: desk stand - for desk mounting or stand-alone

DS15- 632BL1: desk stand - for desk mounting

FL15-627BL1: floor stand - tiltable and rotatable position

FL15-628BL1: floor stand - fixed landscape or portrait position

*Check out the compatibility overview in the product documentation for the correct casing for your brand and type of tablet.
