Secure 2K Desktop Camera

Secure

- Works with Philips Hue lights
- Two-way audio
- Compact design

8721103045799

Easy smart lighting

Secure your indoor space with the Philips Hue 2K Desktop Secure camera in white. Enjoy sharp 2K resolution for clear footage day and night. Its compact design blends seamlessly into your home. Smart motion detection and two-way audio keep you connected all the time, from anywhere. When motion is detected, your Hue lights switch to alert mode, lighting up your home for added security.

Easy smart lighting

- Get it all with the Philips Hue Bridge
- Monitor your home
- Make it seem like you're at home

Issue date: 2026-08-05 Version: 0.179

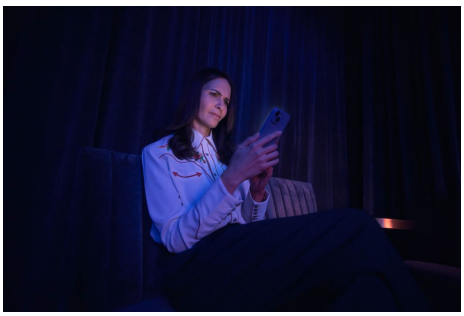

Highlights

Get it all with the Philips Hue Bridge

A Bridge gives you the full suite of smart home security features: light and sound alarms, the mimic presence automation and the ability to expand your home security – or smart lighting – set-up.

Monitor your home

Receive notifications directly on your mobile device whenever your Secure camera detects motion. Create Activity or Package zones to get alerted depending on what triggers the motion, such as a person, animal, vehicle or package.

Make it seem like you're at home

Use your Secure camera with the Mimic presence automation and the two-way talk function to add a layer of security to your home – and get some peace of mind in the process.

Specifications
