

HP EliteBook 6 G2a 14 inch Notebook Next Gen AI PC

Speed and performance. Configurable design. Local AI.

Unlock your potential with the HP EliteBook 6 G2a. This 14-inch HP Copilot+ PC⁴ helps streamline workflows and drives AI-enhanced³ productivity. Long battery life, embedded security⁵, and simplified manageability help your organization thrive.

Kickstart innovation with this 14-inch AI PC

Move fast with intelligent performance and built-in AI tools³ that help automate tasks, surface insights, reduce distractions.

Enhanced conferencing and collaboration experience

Remove barriers to collaboration for global teams with this AI PC's studio-tuned speakers with AI Noise Reduction⁶ and a 5MP camera.

Protection before the threat

HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense.⁵

*Product image may differ from actual product

Sustainability in action

Help protect our shared future

The HP EliteBook 6 G2a is designed using 50% recycled aluminum⁶ in the external covers and 50% post-consumer recycled plastic⁷ in the keycaps. It is ENERGY STAR[®] certified⁸ and EPEAT[®] Climate+ Gold registered.⁹

HP EliteBook 6 G2a 14 inch Notebook Next Gen AI PC

Featuring

Built for enterprise-grade manageability and durability

Enable IT to focus on strategic initiatives and meet corporate and public sector's demanding IT requirements with HP Wolf Security for Business⁵ and remote manageability, all in a durable serviceable chassis.

Provide local AI solutions for your most demanding users

Enable efficient segmentation of AI computing needs across your organization and support AI workloads with an up to 50 TOPS NPU.³ Empower users to make informed decisions and take on more complex challenges with this HP Copilot+ PC.⁴

Protection before the threat

HP Wolf Security for Business creates a hardware-enforced defense. It detects and self-heals BIOS attacks and helps fight ransomware and phishing attacks. It's a future-ready investment in protection against quantum computing attacks.⁵

Help protect our shared future

The HP EliteBook 6 G2a is designed using 50% recycled aluminum⁶ in the external covers and 50% post-consumer recycled plastic⁷ in the keycaps. It is ENERGY STAR[®] certified⁸ and EPEAT[®] Climate+ Gold registered.⁹

HP Recommends Windows 11 Pro for business with Microsoft Copilot

Work anywhere without compromising on performance with Windows 11¹ and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Microsoft Copilot.¹⁰

Commanding AMD Ryzen™ AI processor

Accelerate your workflow and drive results with an AMD Ryzen™ AI processor² with an up to 50 TOPS NPU³—delivering AI-enhanced performance³ and speed for today's demanding business applications.¹¹

Stay connected with HP Go

Discover HP Go¹², the easy to set up 5G cellular solution¹³ for your PC. Enjoy seamless, out-of-the-box connectivity for effortless communication, collaboration, and creativity that utilizes the strongest stable connection available.

Business-ready AI with real-world benefits

Charge once and unplug all day with devices that are 5X faster than 5-year-old Windows PCs.¹⁴ Get the best video conferencing, exclusive AI features⁴ and long battery life¹⁵ on this HP Copilot+ PC.⁴

Engage your audience

No need for extra lights, expensive lenses, or sound-proof rooms. Windows Studio Effects automatically keeps you in frame, improves lighting, and cancels noises during video calls—perfect for when presentation matters.¹⁶

Browse confidently

Help protect your PC from websites and read-only Microsoft Office and PDF attachments with malware, ransomware, or viruses with hardware-enforced security from HP Sure Click.¹⁷

HP Sure Sense

Malware is evolving rapidly beyond traditional antivirus capabilities. Protect your PC against never-before-seen attacks with HP Sure Sense, which combines behavioral analysis with advanced AI techniques to provide exceptional protection.¹⁸

Speed up the basics of IT management

Deploy the HP Manageability Integration Kit¹⁹ to help speed up image creation and the management of hardware, BIOS, and security when managing devices through Microsoft Configuration Manager.

Transform IT from cost center to business accelerator

The HP Workforce Experience Platform (WXP)²⁰ empowers IT teams with AI-powered insights and workflow automation, reducing digital friction.

Find, lock, or erase a lost PC

HP Wolf Security Protect and Trace with Wolf Connect^{21,22} allows you to Find, Lock, or Erase a PC virtually anywhere in the world, even if it's turned off. This HP exclusive takes data security and asset management to an entirely new level.

Easy battery management

Manage and monitor your battery's performance and condition and customize charging options with the easy-to-use HP Power Manager dashboard.²³

Enhanced predictive coverage

Limit interruptions with HP Premium+ Support, a smart service that alerts of potential device issues using predictive AI-powered insights, automation and proactive 24/7 support for our fastest diagnosis and repair—wherever work happens.^{24,25}

Sustainable impact specifications	At least 30% recycled metal; Product Carbon Footprint; HP paper-based packaging is from recycled or certified sources; At least 30% post-consumer recycled plastic; At least 30% ocean-bound plastic; Low halogen; Bulk packaging available; External power supply 90% efficiency
TCO certified	TCO Certified, generation 10 ⁶⁴
EPEAT registered	EPEAT registered configurations available ⁴⁹
Warranty	1-year warranty and 90 day software limited warranty options depending on country. HP Worldwide Limited Warranty for the battery is aligned with the warranty period of the HP Hardware Product. Refer to http://www.hp.com/support/batterywarranty/ for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc .

HP EliteBook 6 G2a 14 inch Notebook Next Gen AI PC

Accessories and services (not included)

<p>HP Travel 18 Liter 15.6 Iron Grey Laptop Backpack</p>		<p>See the world and accomplish your goals in one spacious, yet sleek backpack. Put everything in its place with pockets big, small, secure, and easily accessible. This perfect travel companion is designed to pack light for fast moves, yet expands for your journeys. Grab your all-in-one bag. Product number: 6H2D9AA ¹ Tracker device not included.</p>
<p>HP 105 Sanitizable Mouse Pad</p>		<p>Elevate your space with an anti-slip, durable, sanitizable¹, and spill-resistant mouse pad. With effortless gliding and pinpoint accuracy, this minimalist mouse pad maximizes movement to make the perfect accomplice to your favorite mouse. Product number: 8X595AA ¹ Select household wipes can be safely used up to 1,000 wipes. See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Clean Your HP Device Whitepaper (https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW) ² Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT[®] standard.</p>
<p>HP 705 Rechargeable Wireless Mouse</p>		<p>Elevate your workday with the HP Rechargeable Wireless Mouse. Designed to match your pace, it combines smarter shortcuts, ultra-fast charging,¹ and a durable design to help you stay in the flow and work confidently-anytime, anywhere. Product number: AZ7B1AA ¹ Fast charging is based on USB Type-C[®] -- 3.0 port (5V, 2.0A), the actual charging time may vary depending on the port type and environmental conditions. ² Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store or Apple Store. Requires Windows 10 or 11.</p>
<p>HP Portable USB-C Hub</p>		<p>This small but mighty hub goes wherever you go with four additional ports so you can connect everything you need. Designed for lightning fast signaling data rate, wired Ethernet connection, and charging on the go, it's easy to transport and works seamlessly with most devices.¹ Product number: B8SU8UT ¹ Compatible with most USB-C[®] devices. ² Actual throughput may vary.</p>
<p>HP Multi-Device Dual-Mode Keyboard with Palm Rest 585K</p>		<p>Stay focused with a keyboard that prioritizes comfort with a magnetic palm rest and quiet keys. Unlock new levels of productivity with programmable shortcuts,¹ uninterrupted connectivity across devices and operating systems, and encrypted security. Product number: BD5F7AA ¹ Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store. ² Copilot key feature availability varies by market, see aka.ms/keysupport. Copilot is NOT available in China, Russia, Belarus, and embargoed regions Cuba, Iran, North Korea, Crimea.</p>
<p>HP 100W GaN Wall Charger</p>		<p>Power your day with the HP 100W GaN Wall Charger. Smaller, lighter,⁶ and designed for efficient, safe charging,⁵ it delivers reliable power for most USB-C[®] devices¹⁰ and protects against surge, overcurrent, overvoltage, and overtemperature. Product number: CS9V7UT ¹ Compliant with EU Lot7 power efficiency. ² Adaptive power output(15W/27W/75W/100W).</p>

HP EliteBook 6 G2a 14 inch Notebook Next Gen AI PC

Footnotes

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
- ³ Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.
- ⁴ On some devices, some Copilot+ PC experiences require free updates continuing to roll out from Microsoft. Timing varies by device and region. See aka.ms/copilotpluspccs. Copilot is NOT available in China, Russia, Belarus, and embargoed regions Cuba, Iran, North Korea, Crimea.
- ⁵ HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features.
- ⁶ Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams.
- ⁷ Recycled plastic content percentage is based on the definition set in the IEEE 16801:2018 EPEAT standard.
- ⁸ ENERGY STAR® certified products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR® and the ENERGY STAR® logo are registered trademarks of the U.S. Environmental Protection Agency.
- ⁹ Based on US EPEAT® registration according to IEEE 16801:2018 EPEAT®. EPEAT® status varies by country. Visit www.epeat.net for more information.
- ¹⁰ Microsoft Copilot requires Windows 11. Some features require an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key will lead to the Bing search engine. See <http://aka.ms/WindowsAIFeatures>.
- ¹¹ ISV solutions are sold separately and may require a subscription and NPU.
- ¹² HP Go is available as a separate subscription in North America, requires 5G and must be configured at the time of purchase on select HP commercial laptops and workstations.
- ¹³ HP 5G module is optional and must be configured at the factory. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100MHz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.
- ¹⁴ Based on Cinebench R20 Multi Core benchmark test conducted by Microsoft from June to September 2025.
- ¹⁵ Battery life varies significantly by device and with settings, usage and other factors. See aka.ms/cplclams.
- ¹⁶ Windows Studio Effects features require Windows 11 OS and a processor equipped with an NPU.
- ¹⁷ HP Sure Click requires Windows 10 and higher. See https://bit.ly/2PrLT6A_SureClick for complete details.
- ¹⁸ HP Sure Sense is available on select HP PCs with Windows 10 Pro, Windows 10 Enterprise, Windows 11 Pro, or Windows 11 Enterprise OS.
- ¹⁹ HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.
- ²⁰ The Workforce Experience Platform (WXP) is available in various tiers and for multiple term license durations, and some features require optional add-on solutions. WXP is for commercial customers and some features and capabilities may require additional purchase of HP services and/or commercial hardware capable of supporting the HP Insights agent for Windows, Mac, & Android. WXP is ISO27001, ISO27017, ISO27018 and SOC2 Type2 certified for Information Security. Activation and restrictions may apply. Select HP solutions require an HP Insights agent for Windows, Mac, & Android, available for download at <https://workforceexperience.hp.com/software>. For full system requirements and services that require the agent, please visit <https://workforceexperience.hp.com/requirements>. The agent collects telemetry and analytics around devices and applications that integrate into the Workforce Experience Platform. Internet access required. HP Vyoqta license required for audio and video collaboration technology monitoring. HP Anyware license or compatible third-party virtual machine license required for virtual machine monitoring. Print capabilities are available to select beta customers in the US only. Print is planned to be available in a future release in various tiers as an add-on solution in various term licenses.
- ²¹ Service not available in all countries. Cellular service worldwide is limited to areas that Wolf Connect has service available. To learn more about solution service coverage, visit <https://www.hp.wolf.com/en/legal/pwcc/countries>.
- ²² HP Protect & Trace with Wolf Connect is available on select HP commercial laptops and mobile workstation devices and requires HP Workforce Central registration, available at <https://admin.hp.com>. Devices with a mobile narrowband card (MNB) do not support Internet access. Internet service for devices with 4G LTE and 5G modules is not included and must be purchased separately. Wolf Connect Service not available in all countries.
- ²³ Requires HP app and Windows OS.

Specification Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
- ³ Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.
- ⁴ Features and software that require a NPU may require software purchase, subscription or enablement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Potential NPU interfering performance varies by use, configuration, and other factors.
- ⁵ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- ⁶ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 32 GB is reserved for system recovery software.
- ⁷ Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 6E is supported. Wi-Fi 6E is designed to support gigabit data rate when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 80MHz and higher channels.
- ⁸ Wi-Fi 7 requires a Wi-Fi 7 router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 7 is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 7 is supported. Wi-Fi 7 is designed to support gigabit data rate when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 80MHz and higher channels.
- ⁹ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
- ¹⁰ LPWAN (also called Mobile Narrowband) supports HP Protect & Trace with Wolf Connect service through the subscription term, but does not support mobile broadband use.
- ¹¹ 5G module is optional. WWAN ready configuration must be selected at purchase to add WWAN at a later date. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100MHz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.
- ¹² USB 20Gbps signaling rate is not available with Thunderbolt™ 4. Actual throughput may vary.
- ¹³ Sold separately or as an optional feature.
- ¹⁴ Resolutions are dependent upon monitor capability, and resolution and color depth settings. Actual brightness will be lower with touchscreen or Sure View.
- ¹⁵ HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.
- ¹⁶ All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
- ¹⁷ For new batteries, actual battery Wait-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
- ¹⁸ Recharges up to 50% within 30 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
- ¹⁹ Availability may vary by country.
- ²⁰ Microsoft 365 sold separately and requires Internet access for activation.
- ²¹ HP IO delivery app is preloaded on select HP PCs; it will be automatically updated to the future featured HP IO application if you have auto updates enabled in Windows or will be available for download from the Microsoft Store. The future featured HP IO app uses artificial intelligence. Features vary by configuration. For complete details see https://support.hp.com/us-en/document/ish_13696672-1369671746.
- ²² HP Services Scan automatically collects the telemetry necessary upon initial boot of the product to deliver device-level configuration data and health insights and is available preinstalled on select products, thru HP Factory Configuration Services; or it can be downloaded. For more information about how to enable HP Smart Support or for download, please visit <http://www.hp.com/smart-support>.
- ²³ HP Support Assistant is available on Windows. For more information, please visit <http://www.support.hp.com/help/hp-support-assistant>.
- ²⁴ HP App with Multicamera support for Mini Desktop PC will only be available on 13th processor and beyond.
- ²⁵ Poly Studio Desktop requires a Windows OS.
- ²⁶ Requires Windows 11 and an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot in Windows is not available, the Copilot key will lead to the Bing search engine. See <http://aka.ms/WindowsAIFeatures>.
- ²⁷ HP Client Catalog not preinstalled, however available for download at <https://www.hp.com/us-en/solutions/client-management-solutions.html>.
- ²⁸ HP Client Management Script Library (<https://www.hp.com/us-en/solutions/client-management-solutions.html#tab=manageability-tools>).
- ²⁹ HP Cloud Recovery is available for 7 by HP, HP Elite and Pro desktops and laptops with Intel® or AMD processors and requires an open, network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail, please refer to: <https://support.hp.com/us-en/document/c05115630>.
- ³⁰ HP Connect for Microsoft Endpoint Manager is available from the Azure Market Place for HP Pro, Elite, Z and Point-of-Sale PCs managed with Microsoft Endpoint Manager. Subscription to Microsoft Endpoint Manager required and sold separately. Network connection required.
- ³¹ HP Driver Packs not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.
- ³² HP Image Assistant not preinstalled, however available for download at (<https://hp.ext.hp.com/pub/caps-softpaq/cmit/HPIA.html>).
- ³³ HP Manageability Integration Kit can be downloaded from <http://www.hp.com/go/clientmanagement>.
- ³⁴ HP Patch Assistant available on select HP PCs with the HP Manageability Kit that are managed through Microsoft System Center Configuration Manager. HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.
- ³⁵ HP Power Manager with Battery Health can be downloaded by entering your system information here: https://support.hp.com/in-en/document/ish_4449597-351950716.
- ³⁶ Secured-Core PC Enable requires an Intel® vPro®, AMD Ryzen™ Pro processor or Qualcomm® processor with SD850 or higher and requires 8 GB or more system memory. Secured-core PC is enabled from the factory.
- ³⁷ HP Sure Admin requires HP G8 or newer platforms, Windows 10 or higher, HP BIOS, HP Manageability Kit or KMS Service from <http://www.hp.com/go/clientmanagement> and HP Sure Admin Local Access Administrator.
- ³⁸ HP Sure Click requires Windows 10 Pro or higher or Enterprise. See https://bit.ly/2PrLT6A_SureClick for complete details.
- ³⁹ HP Sure Recover is available on select HP PCs and requires Windows 10 or 11 and an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data.
