FCC	CE

Sandberg Travel Charger PD140W Display delivers up to 140W charging power and is suitable for even powerful laptops with high power consumption. You can charge your laptop, tablet, and smartphone with the same charger. The integrated digital display shows the current charging power in real-time. With 2x USB-C and 1x USB-A, multiple devices can be charged simultaneously, with the total power distributed between the ports. A fixed, foldable US plug and included EU, UK, and AUS plugs make it ideal for travel use.
