

**WALL-MOUNTED MULTIMEDIA CONNECTION BOX: VGA + 2XHDMI + 3.5MM JACK + 1XUSB-C 10G + 1XUSB-B 2.0 + 1XUSB-A 3.0 + 1XRJ45 CAT.6A STP 10.35.0004**

**EAN: 8433281017252**

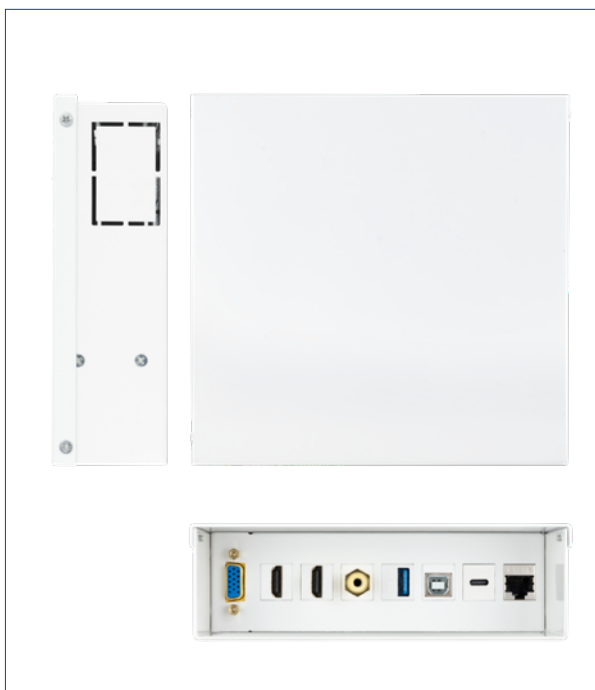

Everything connected. Everything within reach. A **wall-mounted solution** designed to centralise, organise and simplify any multimedia environment with direct, neat and professional access.

It combines **multiple interfaces** into a single panel: HDMI, VGA, audio, USB and network, allowing you to centralise all the necessary connections.

Thanks to its female-to-female connectors, it does not require any special cables, which simplifies installation and reduces costs.

Its white design blends seamlessly into **any space**, maintaining a clean and tidy look.
