- Supports load capacity up to 5kg

Description

Work smarter and stay comfortable with the Portable Laptop Cooling Stand, a compact solution for improved ergonomics and efficient cooling. Weighing just 180g, it is designed for easy portability, making it ideal for mobile professionals and hybrid work environments.

The stand features 8 adjustable height levels for optimal viewing angles, helping to reduce neck and shoulder fatigue. Its durable zinc alloy construction ensures long-lasting performance, while supporting laptops up to 17.3" and up to 5kg. A foldable and anti-slip design provides both portability and stability, delivering reliable performance wherever you work.
