Lenovo

Overview

The Lenovo USB-C 100W AC Adapter provides a high-efficiency power solution specifically engineered for compatible Lenovo laptops and IdeaPads. It ensures a seamless and reliable charging experience that meets strict performance standards. This adapter serves as an ideal primary replacement or a convenient secondary power source, ensuring your device remains powered and productive in any environment.

Key Features

Up to 100W high-speed charging

Experience rapid power delivery with 100W output, designed to charge your high-performance laptops quickly and efficiently so you can stay productive without long wait times.

Tailored compatibility for Lenovo

Engineered for selected Lenovo PCs and IdeaPads, this original adapter provides a safe, reliable, and universal power solution that perfectly matches your device's requirements.

Universal USB-C connectivity

Featuring a reversible USB-C connector, this adapter offers a hassle-free plug-and-play experience, ensuring a secure connection and steady power flow for all your compatible modern devices.
