

10-Pack 3-in-1 Dual-Access Laptop Lock, 6.6ft (2m) Keyed Alike/Combination Security Cable Lock for Noble Wedge®/Nano/K-Slot, Anti-Theft, TAA

Product ID: UDUOKA10-LAPTOP-LOCK

The 10-Pack 3-in-1 Dual-Access Laptop Lock secures laptops and other devices with universal slot support. Each lock features a 6.6ft (2m), 4.4mm thick cut-resistant steel cable and a durable 15.6mm lock head, ideal for protecting K-Slot, Nano, and Noble Wedge slot-equipped devices in high-traffic commercial, educational, and institutional environments.

Each lock features an innovative 3-in-1 locking tip that adjusts to fit standard (K-slot), nano, and wedge slots. The head secures to each slot type by simply turning a knob, with no interchangeable parts required, supporting a wide range of modern and legacy devices with a single solution.

The resettable 4-digit combination lock offers personalized security for users, while the keyed-alike override system provides IT administrators with universal access across all locks. The pack includes four Shared Keys to simplify fleet management and reduce lockouts.

Constructed from zinc alloy with a cut-resistant steel cable, this TAA-compliant locking solution is designed for deployment at scale in government, enterprise, and education settings.

Each lock includes plastic spacers in three thicknesses to ensure a snug, secure, and scratch-free connection, ideal for laptops, docking stations, monitors, and lab equipment.

The included hook-and-loop straps keep cables organized for easy transport. Optional anchors (LTANCHOR, LTANCHORL, sold separately) allow the lock to secure equipment to fixed objects, enhancing versatility across workspace setups.

Certifications, Reports and Compatibility

Applications

- An innovative 3-in-1 locking tip adjusts to fit standard (K-slot), nano, and wedge slots
- Resettable 4-digit combination lock offers personalized security for users, while the keyed-alike override system provides IT administrators with universal access across all locks

Features

- **Secure Any Laptop with Universal Slot Compatibility**: 3-in-1 Dual-Access Laptop Lock paired with a 6.6ft (2m), 4.4mm thick cut-resistant steel cable and a durable 15.6mm lock head; Ideal for protecting K-Slot, Nano, and Noble Wedge slot-equipped devices
- **Dual Access Control for IT and End Users**: Each lock features a resettable 4-digit combination for individual users, plus keyed alike access for IT / Asset Managers; Includes 4 shared keys to reduce lockouts and simplify oversight across large deployments
- **Protect Devices with a Secure, Scratch-Resistant Fit**: Plastic spacers near the lock tip help prevent scuffing on laptops and other devices; Includes three spacer thicknesses to ensure a snug, secure fit across a range of devices
- **Accelerate Multi-Desk Deployments**: Secure multiple workplaces at once with this 10-pack built for IT rollouts; Included hook-and-loop straps keep cables organized, and optional anchor points LTANCHOR / LTANCHORL (sold separately) allow flexible placement
- **The IT Pro's Choice**: Our locks offer tamper-resistant heads, durable vinyl-coated cables, and broad compatibility, ideal for theft protection in offices and public spaces; TAA compliant and backed by free lifetime 24/5 multi-lingual technical assistance
