Reduce waste with every purchase

By choosing Tolerate, you say goodbye to traditional blister packaging and welcome our smart bulk packaging instead. You become an active part of reducing waste and take a step towards a more sustainable future. Tolerate delivers products in bulk packaging made of PLA, the more environmentally friendly plastic alternative.

Protect smart, together we can make a difference!

Instructions for recycling:

The product is sorted as: Residual waste (Not recyclable)

The packaging is sorted as: Plastic packaging*

*Tolerate uses PLA plastic in its packaging. Although PLA is compostable and can be recycled, it requires a sophisticated industrial composting facility. Composting facilities today cannot separate bioplastic from other plastics.
