

337214 24-Port Fiber Optic Splice Box, LC Duplex, OM4, 1U, Equipped, Black

Product Images

Short Description

Ports: 24 x LC/UPC Duplex couplers
Fiber Class : OM4 pigtails, 50/125 μm
Form Factor: 19" rack-mount, 1U metal housing
Standards: Fiber pigtails are coloured
Splice Box: with sliding tray, splice cassette, cassette cover
Accessories: Including 4 sets of M6 screws and nuts
Dimensions: 483 x 243 x 44mm
Material: Sturdy steel.
Color: Black (RAL 9005)

Description

The equip® 337214 24-Port Fiber Optic Splice Box is a compact 1U rack-mount solution designed for efficient fiber management in high-density network environments. Equipped with LC duplex adapters, it supports OM4 multimode fiber, making it ideal for high-speed data transmission in data centers and enterprise networks.

The enclosure provides organized cable routing and secure fiber splicing, ensuring protection for sensitive fiber connections. Its pre-equipped design simplifies installation,

reduces deployment time, and enables consistent performance in structured cabling systems.

Built with a durable metal housing, the splice box ensures long-term reliability and stability. The front-access design allows easy maintenance and quick access to connections, offering a practical and scalable solution for modern network infrastructures.

Additional Information

Harmonized System (HS) code.	853670
Customs product code (TARIC).	8536700099
Color.	Black
EAN.	4015867244890
Model Number.	337214
Dimensions (W x D x H).	483 x 243 x 44 mm
Product weight (kg).	4.3
Category.	OM4
Fiber cable type.	OM4
Material.	Metal
Mount.	19" rack mount
Approval and Compliance.	RoHS
Package Contents.	24-Port Fiber Optic Splice Box Screw Kits
