- Create a personalised experience with colourful smart light
- Set the right mood with warm to cool white light
- Unlock the full suite of smart lighting features with the Bridge
- A truly portable smart light

Issue date: 2026-10-10 Version: 0.538

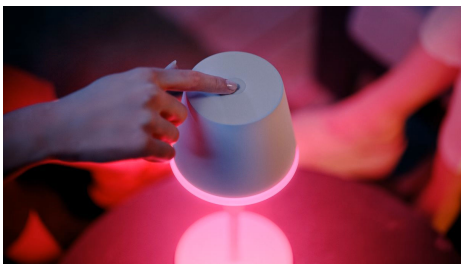

Highlights

Control it your way

Connect your Philips Hue lights with the bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and Google Home to allow you to control your lights with your voice.

On-product control

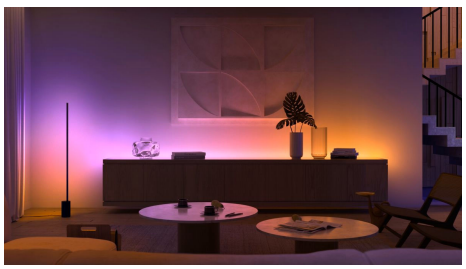

Change your light settings directly with the button on the light itself. Cycle through special light scenes, such as Sunday coffee and Enchanted forest, by pressing the button. Press twice and hold on the second press to cycle through colours.

Dynamic, natural lighting effects

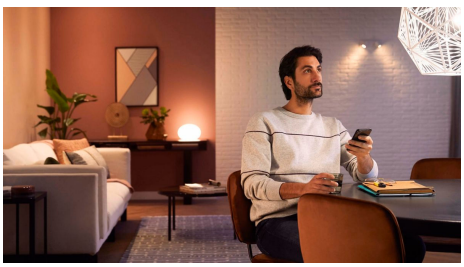

Amp up the ambience of special moments with living light. Use dynamic light effects, such as Cosy Candle, Sunday Coffee, Meditation, Enchanted Forest and Night Adventure to create the perfect mood in any situation.

Create a personalised experience with colourful smart light

Transform your home with over 16 million colours, instantly creating the right atmosphere for any event. With the touch of a button, you can set a festive mood for a party, turn your living room into a movie theatre, enhance your home decor with colour accents, and much more.

Set the right mood with warm to cool white light

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

Unlock the full suite of smart lighting features with the Bridge

The Bridge unlocks the features that make smart lighting truly smart – away-from-home control, voice control, automated lighting and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

A truly portable smart light

The Go portable table lamp can truly go wherever you want, thanks to its rechargeable battery. Bring this lamp with you wherever you need colourful light, such as inside to read or outdoors to light up your next outdoor barbecue. Get up to 48 hours of light on a single charge – and then bring it back inside to charge on the included charging base.
