Close trim, comfortable shave

Even in hard-to-reach areas

The Series 5000 is designed to power through hair, without compromise on skin comfort. Whether on the chest or hard-to-reach areas like the back, you can shave with the skin comfort system or trim using the 3-, 5- or 7-mm-length combs.

Skin-friendly performance

- Confidently trim or shave all body zones
- Rounded tips and hypoallergenic foil for skin comfort
- Includes 3 combs for a 3-, 5- or 7-mm trim

Easy to use

- Extra-long handle makes it easier to reach your back
- 50 minutes cordless use after a 1-hour charge
- Easy to clean and use in or out of the shower
- Ergonomic grip for maximum control

Built to last

- 2-year guarantee, worldwide voltage, no oiling needed

Highlights

Skin comfort system

Designed to be safe and comfortable for the underarms, chest and abs, back and shoulders, groin area and legs. The skin comfort system catches and cuts hairs of different lengths, without the need for multiple tools or skin contact with sharp edges. The bi-directional trimmers cut longer hairs, which are shaved by the foil for a closer result.

Skin-friendly tips and foil

The skin comfort system features a hypoallergenic foil and rounded tips to protect your skin while shaving.

3 combs included, 3-7 mm

3 combs included for different body hair lengths. Attach the combs to the shaving system to trim hair to fixed length settings of 3 mm, 5 mm or 7 mm. You can use the shaving

system without the combs for a closer result. For thicker hair, pre-trimming with the fixed combs is recommended.

Shave your back

Conveniently remove back hair. This attachment has been specially designed for convenient back grooming.

Rechargeable battery power

High-power NiMH battery for full-body use, with 50 minutes of cordless use after a 1-hour charge. The battery light indicates power status when the battery is low or full.

100% showerproof

Provides a comfortable and close result in and out of the shower. The body groomer is 100% showerproof, so you can simply rinse it clean when you've finished. For longer hair, trimming performance may be better on dry hair.

Ergonomic grip

The rubber grip is designed to ensure optimal handling even when wet, for better control during use, in or out of the shower.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.
