- Large-capacity bowl and blender jar for the whole family

### **Easy processing and effortless cleaning**

- XXL 18-cm discs for faster processing of all ingredients

**PHILIPS**

# Highlights

## Double metal balloon beater

The double metal balloon beater together with the one-touch auto button creates fluffy egg whites (up to 600% volume increase) and perfectly whipped cream (up to 200% volume increase). Creating delicious desserts has never been easier!

## Innovative metal kneading hook

Together with the strong motor, this metal kneading hook quickly forms a dough ball from your ingredients. Once the dough is formed, the innovative kneading hook works the dough with the right force and power so you can make the tastiest bread.

## Blade unit

Blade unit for mixing and blending cake batters

## PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result for both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

## One-touch auto buttons

In addition to the manual 12 speed + pulse control, this Avance Food Processor comes with 3 one-touch auto buttons. To select them, simply turn the control dial to the "ON" position and press the one-touch auto button. The motor then automatically sets the right speed and auto pulse functions for the best results.

## XXL Discs for faster processing

Thanks to the XXL discs (18 cm), the Philips food processor will provide you with faster performance, saving you time and effort while cooking.

## Dishwasher-safe accessories

All Philips Food Processor accessories included in your box are dishwasher safe.

## XL bowl and blender jar

The extra-large 3.4 litre bowl has a working capacity of 2 litres to handle up to 7 servings of soup, 7 eggs whites or 1.7 kg of dough. A 2.2 litre blender jar handles 1.5 litres of ingredients for up to 5 smoothie portions in one go.

## 4 stainless steel discs

This food processor comes with an additional range of 4 stainless steel discs: 1 reversible shredding disc (fine and coarse) for all types of vegetables, 1 granulating disc for potatoes or cheese, 1 julienne disc for thin vegetable strips and 1 French Fry disc for thick potato strips.
