- **Ergonomics:** Ambidextrous for left- and right-handed use.
- **Installation:** Plug-and-play, no drivers.

Description

The Conceptronic REGAS02W is a 4-button silent USB-C mouse for comfortable, precise everyday control. A silent-click design cuts button noise for quieter work in offices, shared spaces, and at home.

A wired USB-C connection gives stable, reliable performance, and a high-precision optical sensor tracks smoothly with adjustable DPI (800/1200/1600/2400) for the right speed on any task.

The ambidextrous shape suits left- and right-handed use, and plug-and-play setup needs no drivers.
