

Walk in. Plug in. Present.

Three ready-to-install BYOD meeting room packages – Small, Medium, Large.

INSTALLED IN 15,000+ MEETING ROOMS ACROSS EUROPE

No more waiting for cables to work. No more “can you see my screen?”.
 One USB-C cable in the desk delivers video, audio, USB peripherals,
 network and laptop charging – **automatically**, every meeting.

SMALL

2–4 people · ~10 m

Item No.: BYOD-SMALL

Huddle & Focus Rooms

~ 10 m cabling

- USB-C Hub
- Host Cable
- HDMI Optical Cable
- USB 3 Optical Cable
- Desk Grommet

MEDIUM

4–8 people · ~25 m

Item No.: BYOD-MEDIUM

Standard Meeting Rooms

~ 15 m cabling

- USB-C Hub
- Host Cable
- HDMI Optical Cable
- USB 3 Optical Cable
- Desk Grommet

LARGE

8+ people · large rooms

Item No.: BYOD-LARGE

Boardrooms & Training

~ 20 m cabling

- USB-C Hub
- Host Cable
- HDMI Optical Cable
- USB 3 Optical Cable
- Desk Grommet

What package should you choose?

The only difference between the three packages is the **cable length** from the meeting desk to the display. Simply measure the distance from the center of the desk to the back of the display – and add a little extra so the cables can be routed neatly out of sight.

SMALL

up to 10 m

MEDIUM

up to 15 m

LARGE

up to 20 m

PACKAGE DETAILS – WHY VIVOLINK

Core components – in every package

Same proven hardware in every room. Only the cable length changes.

Choose your package

Optional accessories

Build the complete room — easy to add at quote stag.

Why Vivolink

The reliable backbone of professional AV.

Reliable

Extensively tested products

Pro-AV

Built for installers, every day

Simple

One consistent ecosystem

What this solves

The everyday meeting frustrations – gone.

Cable chaos under the table

One USB-C handles video, audio, USB & charging.

"Why won't my laptop connect?"

Auto-detect on plug-in. No drivers, no apps.

First 10 minutes wasted

Walk in, plug in, present. That's it.

Not sure which package fits? We'll help you spec the right room.
