FEATURES

Type C Display

Allows you to connect the latest devices more conveniently and with less trouble.

Dual LAN

Dual LAN design provides the second LAN backup and a safer network environment

Cable Management

Keep cables neat, secure, and protected to prevent accidental disconnections.

VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.

Compact Size

The same performance as a big rig but in a powerful small-sized chassis so you can take it anywhere.

Matrix Display

Supports the Multi-display mode and the surround view mode

MSI AI Engine

Incorporating AI technology, the MSI AI Engine can switch settings, including lighting, performance, audio and visual based on different applications.

Post-Consumer Recycled Material (PCR)

Using post-consumer recycled material in monitor bodies to minimize environmental impact and promote sustainability.
