

OTTERBOX SOLE SERIES PACK / iPhone 17

PRODUCT MESSAGING

The fusion of strength, style and utility, Sole Series Pack is a grippy iPhone case in a class of its own. It's inspired by both elite footwear and tactical outerwear, resulting in a look that's distinct and defenses that are decisive. And it has built-in elastic rope, so you can pack along whatever's essential to your day — lip balm and sunscreen when you're out hiking, keys and a spare roll of film when you're exploring your city. Durable and fashionable, it treads a path of performance, expression and protection.
