

New: FRITZ!Box 7630 Edition International

The perfect introduction to the home network of the next generation with Wi-Fi 7

Dear business partner,

The FRITZ!Box 7630 Edition International is the new starting device for DSL. Equipped with innovative Wi-Fi 7, the FRITZ!Box 7630 guarantees Wi-Fi connections with transmission rates of up to 3568 Mbit/s. Thanks to the advanced technology, now even more users can easily use the home network at the same time. With the integrated 2.5-gigabit WAN/LAN port and three 1-Gbit/s LAN ports, the FRITZ!Box 7630 is also ideal for operation behind a fiber optic modem (ONT). It additionally offers convenient telephony, Mesh Wi-Fi, comprehensive smart home functions, and the highest security standards (WPA3/WPA2) – supported by the powerful FRITZ!OS with a wide range of functions and regular free updates.

Gigabit speed with Wi-Fi 7 for DSL internet

The FRITZ!Box 7630 is suitable for all common DSL connections. Speeds of up to 300 Mbit/s are possible with supervectoring 35b. Comprehensive security features such as a Stateful Packet Inspection firewall, a security wizard with diagnostic tool, and automatic updates ensure protected surfing. The FRITZ!Box also offers complete IPv6 support, comprehensive parental controls (time budget, child protection, lists of permitted and blocked websites), as well as secure remote access via VPN.

High-speed Wi-Fi 7 for the state-of-the-art home network and versatile networking

The FRITZ!Box 7630 transmits on 2.4 GHz and 5 GHz and offers powerful Wi-Fi 7 with up to 3.5 Gbit/s. Its compatibility with all common standards, WPA3 encryption, Multi-Link Operation, and secure guest access ensure high performance, flexibility and security. Wi-Fi can be turned on and off via a button, a phone, or a schedule. The device has a 2.5-gigabit LAN port that can be used as a WAN or LAN port. Three additional gigabit LAN ports are available for computers, TVs and other network devices, as well as a USB 3.0 port for mobile dongles (5G/4G), storage media and printers.
