EAN code	8717371444112

The Neomounts by Newstar cable sock, model NS-CS200BLACK is a great choice to organise cables at AV installations. This two meter sock easily hides up to 10 cables! This cable management conceals and routes cables in any situation possible. Hide your cables to keep the wall nice and tidy.

This flexible cable sock allows you to manage your cables of your workplace or TV-setting. Due to the use of hook and loop fastener it's easy to add or remove cables from the cable sock. You can hide up to 10 cables in the sock!

The sock is 2 meters long and can be shortened when scissor when necessary.

All installation material is included with the product.
