# Lenovo Tab K12 TAMPA Defender Case without built-in screen protector - Black

The rugged 3-layer construction combines a hard PC inner shell with a flexible silicone outer skin to absorb shocks and protect your tablet from drops and impacts.

The cover features a built-in kickstand, allowing comfortable hands-free use for both viewing and working. Whether placed on a desk or used on the go, the stand provides stable support at a practical viewing angle.

An integrated pencil holder keeps your stylus securely in place and always within reach. Additionally, the cover comes with a detachable shoulder strap, making it easy to carry the tablet safely and conveniently when on the move. Reinforced corners with extra cushioning provide enhanced drop protection, while raised edges around the screen and camera help safeguard against scratches and direct impact.

All buttons are fully covered yet remain responsive, and precise cutouts ensure easy access to all ports and functions.

Please note: the cover does not include a built-in screen protector.

- Pencil slot
- Easy access to all ports and buttons
