AEG

6000 SmartSelect Dishwasher 60 cm

GI6200B1SN

Efficient, powerful cleaning and easy loading solutions
Series 6000 delivers powerful water coverage with multi-angled spray arm. The control panel has easy-to-operate time-based cycle selection whilst the baskets are spacious, with a height-adjustable upper basket.

Product Benefits & Features

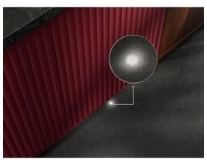

Control time and energy use.
SmartSelect display shows the length and energy-efficiency of each cycle. Clean fast in 60 minutes or save energy with the ECO cycle. Spotless results either way.

Powerful dishwashing. Without using extra water
SatelliteClean® spray arm thoroughly cleans your dishes with powerful spray coverage. Even closely placed or larger dishes receive deep cleaning no matter where they are loaded. And all without using any more water or energy.

Protection for delicate glassware
SoftSpikes® support and protect delicate glasses. These anti-slip rubber spikes stabilize glasses and mugs to reduce the risk of scratching and chipping. They can also be repositioned and placed where needed.

White light shines on floor when cleaning cycle is in progress
Simple and effective: LightOnFloor projects a white light onto the floor while the cycle is in progress. It turns off when the cycle is complete and the dishes are ready to be unloaded.

Finishes drying with fresh air
AirDry finshes drying with natural airflow. The door automatically opens towards the end of the cycle, letting room-temperature air into the dishwasher. Up to 3x better drying compared to a closed-door system.

- AirDry: The door opens automatically after the drying phase, ensuring dishes are perfectly dry every time.
- Sensor: Detects the level of dirt and adjusts the time, water and energy consumption.
- Delay start: Up to 24 hours.
- Indicator: Time remaining display.
- Upper basket: Height adjustable for extra flexibility.
- Inverter motor: Yes
- Touch control.
- XtraPower option: Extra cleaning power for heavily soiled dishes.
- GlassCare option: Optimal cleaning and protection of delicate glassware.
- Hinges: Sliding hinges for flexible installation.
