

OTTERBOX LUMEN SERIES / iPhone 18 Pro/iPhone 17 Pro

PRODUCT MESSAGING

Low-profile fit. High-profile looks. Lumen Series captures both in one tough phone case. The one-piece design hugs the contours of your phone: protective without added bulk, with raised edges that protect your camera and screen, plus a scratch-resistant finish. The opaque phone case also covers the camera plateau for peak protection, has full Camera Control access and built-in magnets that snap firmly to MagSafe accessories.
