SBT30/00

Wireless music streaming

Big in sound, small in size

Powerful sound supported by wireless music streaming via Bluetooth, a rechargeable battery for playback anywhere and a built-in microphone for hands-free phone calls with the SBT30/00. And a carabiner too, to clip onto your belt or bag.

Benefits

Designed for grab and go

- Built-in rechargeable battery for music playback anywhere
- Carabiner clip included

Impressive sound

- Up to 8 hours' music playback
- Wireless music streaming via Bluetooth

Simplicity in use

- Works with any Bluetooth-enabled device
- Built-in microphone for hands-free phone calls
- One cable for both charging and music playback

Features

Built-in rechargeable battery

Play music out loud - anytime, anywhere. The built-in rechargeable battery lets you enjoy your personal music without the fuss of tangled power cords and the inconvenient search for an electrical socket. Enjoy great music with the freedom of portability now.

Up to 8 hours' music playback

Enjoy music playback for up to 8 hours on a single charge.

Wireless music streaming

Your speaker supports Bluetooth music streaming. It lets you enjoy your favourite tunes in high-quality music wirelessly from your Bluetooth-enabled devices.

Bluetooth-enabled

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to other Bluetooth devices, so you can play your favourite music from any smartphones, tablets or even laptops including iPod or iPhone on Bluetoothenabled speaker easily.

Built-in microphone

With its built-in microphone, this speaker also works as a speaker phone. When a call comes in, the music is put on pause and you can talk via the speaker. Call for a business meeting. Or, call your friend from a party. Either way, it works great.

Charge and play in one cable

This Philips speaker comes with one cable for both battery charging and aux-in music playback. Conveniently eliminate cable clutter and enjoy uncompromised signal quality.
