

TOLERATE USB-C TEXTILE CABLE 1M POWERED BY GOOBAY WHITE

SKU: ED230015

This USB-C™ to USB-C™ charging and sync cable from Goobay provides fast charging and reliable data transfer for smartphones, tablets, laptops, and other USB-C devices. With support for up to 60 W (3 A), it is ideal for fast and efficient everyday charging.

The cable features a flexible silicone core with a durable textile braid that offers enhanced protection against cable breakage and daily wear. Reinforced metal connectors with kink protection on both ends ensure excellent durability and a long service life.

Compact and robust cable with 2 x USB-C™ connectors, supporting charging up to 60 W and data transfer speeds of up to 480 Mbit/s.

PRODUCT DESCRIPTION

This USB-C to USB-C charging and sync cable from Goobay combines fast charging, reliable data transfer, and an extra-durable design for everyday use. The cable features a flexible silicone core with a robust textile braid, providing excellent protection against cable breakage while maintaining softness and flexibility.

With support for up to 60 W (3 A), the cable is ideal for fast charging smartphones, tablets, laptops, and other USB-C devices.

The cable supports USB 2.0 data transfer speeds of up to 480 Mbit/s, making it suitable for charging, syncing, and transferring files between compatible devices.

The reinforced metal connectors feature kink protection on both ends and are designed to withstand more than 10,000 bending cycles, ensuring long-lasting durability even with intensive daily use. The braided textile jacket also provides a pleasant feel and helps protect sensitive surfaces from scratches.
