

TOLERATE USB-C PD GAN MULTIPORT FAST CHARGER (100W) POWERED BY GOOBAY BLK

SKU: ED230018

The Goobay 100 W USB-C™ GaN Charger enables fast and efficient charging for up to four devices simultaneously. With Power Delivery 3.0, the charger automatically detects the optimal power output for each connected device, ensuring safe and efficient charging.

Compact wall charger with four ports: 3 × USB-C™ with Power Delivery (up to 100 W) and 1 × USB-A with Quick Charge (up to 30 W).

PRODUCT DESCRIPTION

The Goobay 100 W USB-C™ GaN Multiport Charger delivers fast and efficient charging for up to four devices simultaneously. Featuring three USB-C™ ports with Power Delivery and one USB-A port with Quick Charge, it can power everything from smartphones and tablets to high-performance laptops, with a total output of up to 100 W.

Thanks to advanced **GaN (Gallium Nitride) technology**, the charger delivers high power in a compact and energy-efficient design. GaN enables faster charging, reduced heat generation, and a smaller, lighter form factor compared to conventional chargers.

With **Power Delivery 3.0**, the charger automatically detects the optimal power output for each connected device, ensuring fast, safe, and efficient charging. The USB-A port also supports **Quick Charge**, allowing compatible USB-A devices to charge at high speed.

Its compact and lightweight design makes it an ideal charging solution for home, the office, or travel. With four charging ports, it replaces multiple individual chargers and provides a convenient all-in-one solution for your devices.

Specifications:

Input, type: Euro plug (Type C CEE 7/16)

Output, type: 3× USB-C™ (Power Delivery 3.0), 1 × USB-A (Quick Charge)

Max. output power: 100 W (total)

Outputs:

USB-C1 / USB-C2 (PD): 5 V / 3 A, 9 V / 3 A, 12 V / 3 A, 15 V / 3 A, 20 V / 5 A

PPS: 3.3–21 V / 5 A

USB-C3 (PD): 5 V / 3 A, 9 V / 3 A, 12 V / 3 A, 15 V / 3 A, 20 V / 3.25 A

PPS: 3.3–11 V / 5 A

USB-A (Quick Charge): 4.5 V / 5 A, 5 V / 4.5 A, 9 V / 3 A, 12 V / 2.5 A, 15 V / 2 A

Input voltage: 100–240 V (AC)

Number of outputs: 4 ports

Certifications: CE, WEEE, Haus, Quader, Indoor use

Reduce waste with every purchase

By choosing Tolerate powered by Goobay, you say goodbye to traditional blister packaging and instead welcome our smart bulk packaging. You become an active part of reducing waste and take a step towards a more sustainable future.
