Single sided Microtouch QSR kiosk w/ scanner (short) - 02

QSRK27MTS002-02

The floorstanding single-sided QSR Kiosk is purpose-built to streamline self-service ordering and elevate the customer journey in fast-paced Quick Service Restaurant environments. It is specifically designed with accessibility in mind (EAA/ADA requirements) due to its lower height and assistive technology option. Featuring a sleek, single-sided design with a robust floor-mounted column, it seamlessly integrates a 27" touch screen with essential peripherals like the printer, PED, scanner and assistive technology. Engineered for maximum efficiency and quick, hassle-free installation, this complete self-service solution optimizes order accuracy, drastically reduces waiting times during peak hours, and ensures a modern, user-centric dining experience.

Modern, user-centric design – Sleek, single-sided aesthetics
Designed with accessibility in mind (EAA / ADA) due to its lower height and assistive technology mount
Supports a 27" Microtouch screen (Mach M1-270IC) in portrait
Built-in support for mC-Print3 printer, PED of your choice, Storm AudioNav (1409-34011) and a Magellan 1500i scanner for a complete self-service solution
Lockable, fully accessible maintenace door
