

ENGLISH
Introduction
<p>Congratulations on your purchase and welcome to Philips AVENT! To fully benefit from the support that Philips AVENT offers, register your product at www.philips.com/welcome.</p> <ul style="list-style-type: none">The Philips AVENT massage cushion for larger nipples is designed to feel soft and warm and imitates your baby's sucking action to provide a fast milk flow - comfortably and gently. Use the massage cushion for larger nipples if the standard massage cushion provided with the breast pump does not fit properly (Fig. 1). Only use the massage cushion for larger nipples with Philips AVENT breast pump types SCF330, SCF332 and SCF334.
Important
<p>Read this user manual carefully before you use the massage cushion for larger nipples and save it for future reference.</p>

Warning
<ul style="list-style-type: none">This massage cushion is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the product by a person responsible for their safety. Children should be supervised to ensure that they do not play with the massage cushion. Inspect the massage cushion for signs of damage before each use. Do not use the massage cushion if it is damaged. Do not expose the massage cushion to extreme heat and do not place it in direct sunlight.

Caution
<ul style="list-style-type: none">The massage cushion is only intended for repeated use by a single user. Never drop or insert any foreign object into the opening in the massage cushion. Never use any accessories or parts from other manufacturers or that Philips AVENT does not specifically recommend. If you use such accessories or parts, your guarantee becomes invalid. Wash, rinse and sterilise the massage cushion before each use. Do not use antibacterial or abrasive cleaning agents when you clean the massage cushion.

Preparing for use
<ul style="list-style-type: none">

Cleaning and sterilising
<p>Clean and sterilise the massage cushion before first use as described in chapter "Cleaning and sterilising". Clean the massage cushion after each subsequent use and sterilise it before each subsequent use.</p>

Assembling the massage cushion in the Philips AVENT breast pump
<p><i>Note: Make sure that all parts of the breast pump have been cleaned, sterilised and assembled as described in the user manual of your Philips AVENT breast pump. Wash your hands thoroughly before you handle the cleaned parts.</i></p> <ol style="list-style-type: none">Place the massage cushion for larger nipples into the funnel-shaped section of the pump body. Push in the inner part of the massage cushion as far as possible and make sure that it is perfectly sealed all around the rim of the pump body. Press in between the petals to remove any trapped air (Fig. 2).

ESPAÑOL
Introducción
<p>Enhorabuena por la compra de este producto y bienvenido a Philips AVENT. Para sacar el mayor partido de la asistencia que Philips AVENT le ofrece, registre su producto en www.philips.com/welcome.</p> <ul style="list-style-type: none">El cojín masajeador de Philips AVENT para pezones grandes se ha diseñado para ofrecer un tacto suave y cálido e imita el patrón de succión del bebé para proporcionar un flujo rápido de la leche, de forma cómoda y suave. Utilice el cojín masajeador para pezones grandes si el cojín masajeador estándar proporcionado con el extractor de leche no le va bien (fig. 1). Utilice solo el cojín masajeador para pezones grandes con los modelos de extractor de leche SCF330, SCF332 y SCF334 de Philips AVENT.

Importante
<p>Lea este manual de usuario con atención antes de utilizar el cojín masajeador para pezones grandes y consérvelo por si necesitara consultarlo en el futuro.</p>

Advertencia
<ul style="list-style-type: none">Este cojín masajeador no debe ser usado por personas (adultos o niños) con discapacidad física, psíquica o sensorial, ni por quienes no tengan los conocimientos y la experiencia necesarios, a menos que sean supervisados o instruidos acerca del uso del producto por una persona responsable de su seguridad. Asegúrese de que los niños no jueguen con el cojín masajeador. Inspeccione si el cojín masajeador muestra signos de daños antes de cada uso. No utilice el cojín masajeador si está dañado. No exponga el cojín masajeador al calor extremo ni a la luz solar directa.

Precaución
<ul style="list-style-type: none">El cojín masajeador se ha diseñado para un solo usuario. No deje caer ni introduzca ningún objeto extraño en la abertura del cojín masajeador. No utilice nunca accesorios o piezas de otros fabricantes o que no hayan sido específicamente recomendados por Philips AVENT. La garantía quedará anulada si utiliza tales piezas o accesorios. Lave, enjuague y esterilice el cojín masajeador antes de cada uso. No utilice agentes de limpieza abrasivos o antibacterias para limpiar el cojín masajeador.

Preparación para su uso
<ul style="list-style-type: none">

Limpieza y esterilización
<p>Limpie y esterilice el cojín masajeador antes de usarlo por primera vez como se describe en el capítulo "Limpieza y esterilización". Limpie y esterilice el cojín masajeador después de cada uso posterior.</p>

Montaje del cojín masajeador en el extractor de leche de Philips AVENT
<p><i>Nota:Asegúrese de que ha limpiado, esterilizado y montado todas las piezas del extractor de leche como se describe en el manual de usuario del extractor de leche de Philips AVENT. Lévese bien las manos antes de manipular las piezas limpias.</i></p> <ol style="list-style-type: none">Coloque el cojín masajeador para pezones grandes dentro de la sección con forma de embudo del cuerpo del extractor. Empuje la pieza interior del cojín masajeador lo máximo posible y asegúrese de que queda perfectamente sellada alrededor del borde del cuerpo del extractor. Presione entre los pétalos para eliminar el aire que pueda haber quedado atrapado (fig. 2).

Limpieza y esterilización
<ul style="list-style-type: none">Limpie y esterilice el cojín masajeador antes de usarlo por primera vez. Limpie y esterilice el cojín masajeador después de cada uso posterior.

Almacenamiento
<p>Mantenga el cojín masajeador lejos de la luz del sol directa ya que la exposición prolongada puede causar decoloración.</p>

Seguro
<p>Guarde el cojín masajeador en un lugar seco y seguro.</p>

Garantía y servicio
<p>Si necesita información o si tiene algún problema, visite la página Web de Philips AVENT en www.philips.com/support, o póngase en contacto con el Servicio de Atención al Cliente de Philips AVENT en su país. Hallará el número de teléfono en el folleto de la garantía mundial. Si no hay Servicio de Atención al Cliente en su país, diríjase a su distribuidor local de Philips AVENT.</p>

SUOMI
Johdanto
<p>Onnittelut ostoksestasi ja tervetuloa Philips AVENT -tuotteiden käyttäjäksi! Hyödynnä Philips AVENTin tuki ja rekisteröi tuotteesi osoitteessa www.philips.com/welcome.</p> <ul style="list-style-type: none">Philips AVENTin suuremmille nännelle tarkoitettu hierontatyyny on pehmeä ja lämmin, ja se jäljittelee luonnollisesti vauvan imemisläikkä, mikä takaa nopean maidon virtauksen miellyttävällä ja hellävaraisella tavalla. Käytä suuremmille nännelle tarkoitettua hierontatyynyä, jos rintapumpun mukana toimitettava tavalinen hierontatyyny ei istu kunnolla (Kuva 1). Suuremmille nännelle tarkoitettua hierontatyynyä voi käyttää vain Philips AVENT -rintapumppujen SCF330, SCF332 ja SCF334 kanssa.

Tärkeää
<p>Lue tämä käyttöopas huolellisesti ennen suuremmille nännelle tarkoitettun hierontatyynyn ensimmäistä käyttökertaa, ja säilytä se tulevaan käyttöä varten.</p>

Varoitus
<ul style="list-style-type: none">Hierontatyyny ei ole tarkoitettu lasten tai sellaisten henkilöiden käyttöön, joiden fyysinen tai henkinen toimintakyky on rajoittunut tai joilla ei ole kokemusta tai tietoa laitteen käytöstä, muuten kuin heidän turvallisuudestaan vastaavan henkilön valvonnassa ja ohjauksessa. Pienten lasten ei saa antaa leikkiä hierontatyynyllä. Tarkista hierontatyynyn vaurioiden varalta ennen jokaista käyttökertaa. Älä käytä hierontatyynyä, jos se on vahingoittunut. Älä altista hierontatyynyä kuumuudelle tai jätä sitä suoraan auringonpaisteeseen.

Varoitus
<ul style="list-style-type: none">Hierontatyyny on tarkoitettu yhden käyttäjän jatkuvaan käyttöön. Älä pudota tai laita mitään ylimääräistä hierontatyynyin aukkaan. Älä koskaan käytä osia, jotka eivät ole Philipsin AVENTin valmistamia tai suosittelemia. Jos käytät tällaisia osia, takuu ei ole voimassa. Pese, huuhtele ja sterioi hierontatyyny ennen jokaista käyttöä. Älä käytä hankaavia tai antibakteerisia puhdistusaineita hierontatyynyn puhdistuksessa.

Käyttöönoton valmistelu
Puhdistus ja sterilointi

Puhdista ja sterioi hierontatyyny ennen ensimmäistä käyttökertaa kappaleessa "Puhdistus ja sterilointi" kuvatuilla tavalla. Puhdista hierontatyyny jokaisen käyttökerran jälkeen ja sterioi se aina ennen käyttöä.

Hierontatyynyn kiinnittäminen Philips AVENT -rintapumppuun
<p><i>Huomautus:Varmista, että rintapumpun kaikki osat on puhdistettu, steriloitu ja koottu Philips AVENT -rintapumpun käyttöoppassa kuvatuilla tavalla. Pese kätesi huolellisesti ennen suuren kiinnitetty puhdistustuoja osia.</i></p> <ol style="list-style-type: none">Aseta suuremmille nännelle tarkoitettu hierontatyyny pumpun rungon supplionmuotoiseen osaan. Työnää hierontatyynyn sisistä osaa mahdollisimman pitkälle ja varmista, että se on tiivisti pumpun rungon reunan ympärillä. Poista väliin jäänyt ilma painamalla kohoimia (Kuva 2).

Importante
<p>Legete questo manuale dell'utente attentamente prima di usare la coppa con petali per il massaggio per capezzoli più grandi e conservatelo per eventuali riferimenti futuri.</p>

Avviso
<ul style="list-style-type: none">La coppa con petali per il massaggio non è destinata a persone (inclusi bambini) con capacità mentali, fisiche o sensoriali ridotte, fatti salvi i casi in cui tali persone abbiano ricevuto assistenza o formazione per l'uso del prodotto da una persona responsabile della loro sicurezza. Adottate le dovute precauzioni per evitare che i bambini giochino con la coppa con petali per il massaggio. Ispezionate la coppa con petali per il massaggio prima di ogni uso per controllare che non vi siano segni di deterioramento. Non usate la coppa con petali per il massaggio se è danneggiata. Non esponete la coppa con petali per il massaggio a elevate temperature o ai raggi diretti del sole.

Attenzione
<ul style="list-style-type: none">La coppa con petali per il massaggio è destinata esclusivamente all'uso ripetuto da parte di un solo utente. Non fate mai cadere né inserite alcun oggetto estraneo nell'apertura della coppa con petali per il massaggio. Non usate mai accessori o parti di altri produttori o non specificatamente consigliati da Philips AVENT. Nel caso in cui utilizzate detti accessori o parti, la garanzia decade. Lavate, risciacquate e sterilizzate la coppa con petali per il massaggio prima di ogni uso. Non usate detersivi antibatterici o abrasivi per la pulizia della coppa con petali per il massaggio.

Predispozione dell'apparecchio
<p>Pulite e sterilizzate la coppa con petali per il massaggio prima di utilizzarla la prima volta, come descritto nel capitolo "Pulizia e sterilizzazione". Pulite la coppa con petali per il massaggio dopo ciascun utilizzo e sterilizzate prima dell'utilizzo successivo.</p>

Pulizia e sterilizzazione
<p>Pulite e sterilizzate la coppa con petali per il massaggio prima di utilizzarla la prima volta, come descritto nel capitolo "Pulizia</p>
