Lenovo

Overview

The Lenovo Slim USB-C 3.2 Hub is crafted with a fresh new look and a fit-and-slim body made for life on the move. Thoughtful embedded cable management keeps everything organized and clutter-free, giving you a cleaner setup that's ready for entertainment, creativity, and everyday productivity.

Key Features

Built to move

With its remarkably slim 11 mm profile and compact 76 mm form, this device fits comfortably in your hand while staying effortlessly portable. The smooth finish and lightweight build create a premium experience you'll want to carry everywhere.

Performance made effortless

Plug into next-level speed. With modern USB-C 3.2 Gen 2* 10 Gbps technology, data moves instantly, while breathtaking 4K @ 60 Hz transforms your screen into a cinematic masterpiece.

Smarter cable design

Tame the mess and save your tech. Our upstream cable features a sleek strap handle that prevents connector damage, guaranteeing your device remains perfectly functional whenever you need it.
