The Neomounts by Newstar anti-theft tablet holder for 9.7" iPad/ iPad Air tablets, model IPAD2N-UN20BLACK, is designed for safe usage and displaying in the public. The tablet holder features, in addition to a lock, a home-button cover for shielding the home button.

The tablet holder offers the iPad optimum functionality and can easily be mounted on any Neomounts by Newstar mount with VESA100 hole pattern. This makes it easy to change the height and depth of the iPad tablet. By combining this tablet holder with a Neomounts by Newstar mount, the iPad can be mounted on the wall, ceiling or desk. This increases the applicability even more and allows the iPad, depending on the selected mount, to tilt, swivel, rotate and/ or be adjusted in height and depth.

Choose the mount that best suits your situation and combine it with the Neomounts by Newstar tablet holder.

Installation is a piece of cake! All installation materials are included with the product.
