- **Color:** Black.

Description

The Office Chair combines comfortable seating with a soft, stylish appearance, making it

suitable for home offices, workspaces, meeting rooms and study areas. Upholstered in chenille fabric, the chair provides a warm and comfortable seating surface with a refined textured finish that complements a wide range of interior styles.

The generously cushioned seat and supportive backrest help provide everyday comfort during working, studying or other seated activities. The soft chenille upholstery adds an inviting touch while creating a more relaxed and modern look compared with traditional office seating.

The height-adjustable design allows users to easily adapt the seat position to different desk heights and personal preferences, helping support a more comfortable working posture. A durable chrome base provides stable support while adding a clean, contemporary appearance to the chair.

Smooth castors make it easy to move around the workspace, while the swivel function offers convenient freedom of movement during daily tasks. Combining comfortable upholstery, practical height adjustment and a stylish chrome base, this office chair is a versatile seating solution for home and professional environments where comfort, functionality and modern design are equally important.
