ICY BOX® Club Case 2925

4-bay enclosure for 2x M.2 NVMe
and 2x 2.5"/3.5" HDD/SSD

Key features

- Simultaneous read/write support for 2x M.2 SSD and 2x 2.5"/3.5" SSD
- Supports M.2 SSDs (NVMe & SATA) and 2.5"/3.5" SSDs (SATA)
- USB Type-C® host port with a transfer rate of up to 10 Gbps
- Separate power switch for each drive, allowing individual drives to be powered off and swapped out
- LED indicator for clear status monitoring
- Anti-slip rubber feet for stability
- 12 V/4 A power adapter included

Packing content

1x Club Case 2925
1x USB-C to -C/A cable, 40 cm
1x 12 V/4 A (48 W) power adapter, 150 cm
1x Manual

One motherboard for all your drives

Club Case 2925 replaces numerous devices by bringing different types of storage together in one single station. Use two M.2 SSDs and two 2.5"/3.5" SSDs or HDDs at the same time, without switching between multiple enclosures. This keeps your desk cleaner and your setup simpler. It's made for you if you regularly work with both modern NVMe drives and classic SATA drives.

You are in control

Turn your drives on and off as you wish: thanks to the individual power switches for each slot, you do not need to shut down the whole system when swapping drives. It's also handy when you only need one or 2 drives and want to keep the others powered off. Over time, this helps reduce unnecessary wear. You stay in full control of what's active.

Fast, Faster, USB-C

With a USB-C connection and transfer speeds of up to 10 Gbps, large files move quickly between your drives and computer. This makes a big difference when handling backups, video files, or project folders. You spend less time waiting and more time actually working on what you love.

ICY BOX® Club Case 2925

4-bay enclosure for 2x M.2 NVMe and 2x 2.5"/3.5" HDD/SSD

General data

Model	IB-2925MS-CU31
Article no.	61214
EAN code	4250078175520
Color	Black
Material	Aluminum
Host interface	USB 3.2 Gen 2 Type-C®
Cable length	40 cm
Transfer rate	Up to 10 Gbps
UASP support	✓
Plug & Play	✓
LED	Power
ON/OFF button	⊗
Chipset	VL822+JMS581DL*2+JMS580*2

Drive data

Drive size	22x 30/42/60/80/110 mm, 2.5", 3.5"
Drive height	⊗
Drive interface	2.5"/3.5"/M.2 SATA, M.2 NVMe
Drive capacity	2.5"/3.5" up to 20 TB, M.2 up to 4 TB
Supported M.2 card keys	M-Key, B+M-Key
Space required	⊗
Clone function	⊗
HotSwap	✓
Write protection	⊗

RAID data

RAID level	⊗
Auto rebuilding	⊗
Alarm	⊗

Additional features

Additional interfaces	⊗
Display	⊗
Control buttons	Power button for each drive
Lock	⊗
Kensington Lock	⊗
Degree of protection	⊗
Cooling	Passiv
Fan volume	⊗

Power

Power supply	12 V/4 A (48 W)
Plug dimension	DC plug: Ø 5.5 x Ø 2.1 x L 10 mm

Host system

Operating system	Windows®, macOS®
System requirements	Computer with USB 3.2 Gen 2 Type-C® or Type-A port

Logistical data

Packing unit	20 pcs. / carton
Total weight	16.54 kg
Gross weight (with packing)	0.775 kg
Net weight	0.450 kg
Dimension/carton	435x360x325 mm
Dimension (with packing)	205x65x145 mm
Dimension of article	142x57x115 mm
Country of origin	Taiwan
