

MPN: MC-C13OE-LOCK-03S

# Powercord C13 IEC Lock - Open End black 3 m, PC979

## Features:

- EU Free End to C13 IEC Lock Connector 3C 1.00mm H05VV-F
- Prevents accidental disconnection of critical devices such as PDUs, servers, and networking equipment
- Compatible with all PDUs
- no built-in locking mechanism required
- Locks securely at both the top and side on the PDU end
- Reduces the risk of equipment damage and system downtime

## Specifications

### Features

|                         |                          |
|-------------------------|--------------------------|
| Cable length            | 3 m                      |
| Cable type              | H05-VV-F3G               |
| Conductor material      | Copper                   |
| Connector 1             | Open End                 |
| Connector 1 form factor | Straight                 |
| Connector 1 gender      | Male                     |
| Connector 2             | C13 coupler              |
| Connector 2 form factor | Straight                 |
| Connector 2 gender      | Male                     |
| Core size               | 1 mm <sup>2</sup>        |
| Jacket material         | Polyvinyl chloride (PVC) |
| Product colour          | Black                    |
| RoHS compliance         | Yes                      |

### Power

|                 |       |
|-----------------|-------|
| Input current   | 10 A  |
| Input voltage   | 230 V |
| Maximum current | 10 A  |

### Vendor information

|            |              |
|------------|--------------|
| Brand Name | MicroConnect |
| Warranty   | 25 Year(s)   |
