HP Z8 Fury G6i Workstation Desktop PC

Extraordinary performance. Exceptional outcomes.

Tap into extraordinary compute for highly complex simulation/analysis, VFX, and AI development workflows. The HP Z8 Fury G6i AI workstation delivers extreme performance with a server-grade CPU and up to 4 high-end GPUs. With HP Z Boost[1], share access to these GPUs, maximizing utilization and ROI.

From design to development –accelerate advanced workflows

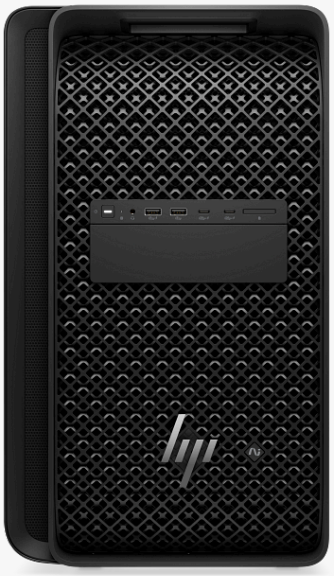

Tackle multiple computationally heavy workflows with an Intel® Xeon® CPU[2], NVIDIA RTX PRO™ graphics, support for quad-wide and600W GPUs, and large storage and memory configurations.

Future-proof bydesign

Built to evolve, this workstation enables quick, tool-less access forgraphics, memory, and storage upgrades, and comes with an optionalMax Side Panel for extra thermal and spatial benefits, while the latticedesign keeps it cool and quiet.

Solutions forsmarter workflows

Get more from the HP Z8 Fury G6i with hardware and softwaresolutions. Add an HP Remote System Controller[3] to enable remote out-of-band management, and HP Z Boost[1] to share its idle GPUs acrossteams—improving productivity and maximizing resources.

*Product image may differ from actual product

Sustainability in action

Designed with purpose

HP cares about the impact our products have. This device contains 60% recycled plastics[4], 20% recycled steel[5], 100% recycled materialsin packaging cushions, 80Plus Platinum rated power supplies, and is EPEAT Gold with Climate+.[6]

HP Z8 Fury G6i Workstation Desktop PC

Featuring

From design to development –accelerate advanced workflows
Run multiple computationally heavy workflows with up to 86 cores in an Intel® Xeon® 6 CPU[2], 4 optional NVIDIA RTX PRO™ 6000 Blackwell Max-Q Workstation Edition GPUs (14,044 AI TOPS), support for quad-wide & 600W GPUs, and large storage & memory.

Future-proof by design
Built to evolve, this workstation enables quick, tool-less access for graphics, memory, and storage upgrades and flex IO. An optional Max Side Panel provides extra thermal and spatial benefits, and the new lattice bezel helps keep it cool and quiet.

Solutions for smarter workflows
Get more out of the HP Z8 Fury G6i with hardware and software solutions. Add an HP Remote System Controller[3] to enable remote out-of-band management, and HP Z Boost[1] to share its idle GPUs across teams—improving productivity and maximizing resources.

Designed with purpose
HP cares about the impact our products have. This device contains 60% recycled plastics[4], 20% recycled steel[5], 100% recycled materialsin packaging cushions, 80Plus Platinum rated power supplies, and is EPEAT Gold with Climate+.[6]

Operating System
Support your unique user needs with a choice of Windows 11 Pro, WSL2 or Linux® operating systems.[7]

Intel® Xeon® WProcessors
Power extreme professional workloads with a transformative single socket Intel® Xeon® 6 CPU (up to 86 cores), Intel vPro® manageability and security, and ECC Memory for reliability.[2,8,9]

Professional Graphics
Tackle complex renderings, simulations and datasets with up to 4 optional NVIDIA RTX PRO™ 6000 Blackwell Max-Q Workstation Edition GPUs (up to 96GB VRAM per card). Work seamlessly with powerful support for quad-wide and 600W GPUs.

Ultra Fast Memory Configurations
Accelerate workflows. Power through memory-intensive workloads with up to 2TB of DDR5-6400 ECC registered memory for fast rendering, simulation, film and video editing, and deep learning performance.[10]

Storage
Get up to 104TB of storage across a variety of devices, including 4 front-accessible, hot-swappable NVMe devices with status information via external LED and email notifications.[11]

Redundant/Aggregate Power Supply
Use redundant power to stay up and running during critical workflow. Or switch to aggregate power to combine two power supplies for 2,700W power when you need it.[12]

Max Side Panel
Stay ahead of evolving performance demands with an optional Max Side Panel that delivers expanded thermal capacity and extra space for up to quad-wide and 600W graphics.[13]

Fast and efficient Wi-Fi 7
Get a fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 7.[14,15]

Independent Software Vendor Certifications
Work with confidence knowing your workstation is certified by leading software vendors to ensure peak performance even on complex projects.[16]

Protected by HP Wolf Security
HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.[17]

HP Smart Sense
HP Smart Sense intelligently optimizes your PC's thermal and power management based on your usage.[18]

Fast Data Transfer and Network Connectivity
Thunderbolt™ 5 technology for fast data transfers, up to three optional USB SuperSpeed Type-C® connectors for transfer rates up to 20Gbps, and up to 100 GbE dual port network connection options.[19]

HP Z8 Fury G6i Workstation Desktop PC

Technical specifications

Available Operating Systems	Windows 11 Pro for Workstations[1,2] Ubuntu 24.04 LTS[3] Linux® Ready[4] Red Hat® Enterprise Linux®
Processor family	Intel® Xeon® processor
Available Processors[5]	Intel® Xeon® 698X (2.0 GHz base frequency, up to 4.8 GHz with Intel® Turbo Boost Technology, 336 MB L3 cache, 86 cores, 174 threads, 350W); Intel® Xeon® 696X (2.4 GHz base frequency, up to 4.8 GHz with Intel® Turbo Boost Technology, 336 MB L3 cache, 64 cores, 128 threads, 350W); Intel® Xeon® 678X (2.4 GHz base frequency, up to 4.9 GHz with Intel® Turbo Boost Technology, 192 MB L3 cache, 48 cores, 96 threads, 300W); Intel® Xeon® 676X (2.8 GHz base frequency, up to 4.9 GHz with Intel® Turbo Boost Technology, 144 MB L3 cache, 32 cores, 64 threads, 275W); Intel® Xeon® 674X (3.0 GHz base frequency, up to 4.9 GHz with Intel® Turbo Boost Technology, 144 MB L3 cache, 28 cores, 56 threads, 270W); Intel® Xeon® 658X (3.0 GHz base frequency, up to 4.9 GHz with Intel® Turbo Boost Technology, 144 MB L3 cache, 24 cores, 48 threads, 250W); Intel® Xeon® 656 (2.9 GHz base frequency, up to 4.8 GHz with Intel® Turbo Boost Technology, 72 MB L3 cache, 20 cores, 40 threads, 210W); Intel® Xeon® 654 (3.1 GHz base frequency, up to 4.8 GHz with Intel® Turbo Boost Technology, 72 MB L3 cache, 18 cores, 36 threads, 200W)
Chipset	Intel® W890
Product colour	Black
Form factor	Tower
Maximum memory	2 TB DDR5-6400 MT/s ECC Transfer rates up to 6400 MT/s.
Memory slots	16 DIMM, 8 memory channel supporting 2 DIMM per channel
Internal storage	4 TB up to 12 TB 7200 rpm SATA Enterprise HDD[6,33] 512 GB up to 8 TB HP Z Turbo Drive NVMe™ M.2 SSD[6] 512 GB up to 8 TB HP Z Turbo Drive PCIe® M.2 Front Load Removable SSD[6] 512 GB up to 4 TB HP Z Turbo Drive PCIe® SED Opal 2 M.2 SSD[6] 1 TB up to 4 TB HP Z Turbo Drive Quad Pro PCIe® SSD[6]
Optical drive	HP Slim DVD-ROM; HP Slim DVD-Writer [7,8]
Available Graphics	Ultra High-End: NVIDIA® A800 (40 GB GDDR6 dedicated); NVIDIA RTX™ Pro 6000 Blackwell Generation (96 GB GDDR7 dedicated) High-End: NVIDIA RTX™ Pro 5000 Blackwell Generation (48 GB GDDR7 dedicated); NVIDIA RTX™ Pro 4500 Blackwell Generation (32 GB GDDR7 dedicated) Mid-Range: NVIDIA RTX™ Pro 4000 Blackwell Generation (24 GB GDDR7 dedicated); NVIDIA RTX™ Pro 2000 Blackwell Generation (16 GB GDDR7 dedicated) Entry: NVIDIA RTX® A1000 (8 GB GDDR6 dedicated) (NVIDIA® Max-Q technology)
Audio	Realtek ALC3205-CG
Expansion slots	9 PCIe Slots: 4 PCIe 5 x16, 3 PCIe 5 x8, 1 PCIe 5 x4, 1 PCIe 4 x4 (All PCIe slots are accessible through the rear bulkhead)
Ports and connectors	Front: Entry: 4 USB Type-A 5Gbs signaling rate (1 charging), 1 headphone/microphone combo ; Rear: 1 USB Type-C® 20Gbps signaling rate; 5 USB Type-A 5Gbps signaling rate ; Optional ports: Flex IO Rear - Dual Type-A 3.2 Gen1 Flex IO v2; Dual Type-C 3.2 G2 15W Out Flex IO; HP Serial Port v3 Flex IO; HP 1 GbE LC Fiber Flex IO port; HP 10 GBASE-T Flex IO port; HP Flex IO 1 GbE single-port NIC; HP 2.5 GbE Flex IO port; 2 Thunderbolt™ 5 with USB Type-C® 40Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4); Front Premium: 2 USB Type-A 5Gbps signaling rate (1 charging), 2 USB Type-C® 20Gbps signaling rate, 1 headphone/microphone combo
Input devices	HP USB Business Slim SmartCard CCID Keyboard; HP USB 320K Keyboard; HP 125 Black Wired Keyboard; HP 725 Multi-Device Rechargeable Wireless Keyboard and Mouse combo[9]; HP Wired Desktop 128 Laser Mouse; HP Wired 320M Mouse; HP 125 Wired Mouse[9]
Communications	LAN: Integrated Intel® I219-LM PCIe® GbE, vPro®; HP dual-port 10GBase-T NIC; Intel® X550-T2 dual-port 10GbE NIC; NVIDIA® Mellanox ConnectX-6 DX Dual Port 10/25GbE SFP28 NIC; Allied Telesis AT-2914SX/LC PCIe Fiber NIC; HP 10 GbE SFP+ SR LC Fiber transceiver; HP 25 GbE SFP28 LC Fiber transceiver; Intel® Ethernet Network Adapter I226-T1; HP 10/25GbE SFP28 Fiber Network Module; HP Flex 1GbE Fiber LC Single Port (PCIe slot not required); Allied Telesis AT-2911Ta/2-901 dual-port 1GbE NIC; Broadcom 5720 Dual Port 1GbE RJ45 PCIe Ethernet; HP 2.5GbE Flex Port (PCIe slot not required); HP 10 GBASE-T Flex IO Port (PCIe not required); HP Flex GbE single-port NIC(PCIe not required)[24,27] ; WLAN: MediaTek Wi-Fi 7 MT7925 (2x2) and Bluetooth® 5.4 wireless card[26]
Drive Bays	Two NVMe™ M.2 SSD; One 3.5" HDD; Two 9.5 mm ODD Eight PCIe® M.2 SSD; Two 3.5" HDD [34,35]
Software	HP PC Hardware Diagnostics UEFI; HP Support Assistant[13]; HP PC Hardware Diagnostics Windows; HP Anyware Pro; HP Z Remote Graphics Software (RGS)
Security management	Full volume encryption; HP Secure Erase[21]; Kensington Security Lock; Secure authentication; Trusted Platform Module TPM 2.0 Embedded Security Chip; HP BIOSphere[22]; HP Sure Run[19]; HP Sure Click[15]; HP Sure Sense[18]; HP Sure Admin[20]; HP Platform Certificate; HP Sure Start[16]; HP Sure Recover[17]; Self-Encrypting Drives
Security Software Licenses	HP Wolf Pro Security Edition[23]

HP Z8 Fury G6i Workstation Desktop PC

Technical specifications

Management features	HP Driver Packs; HP Image Assistant[39]; HP Manageability Integration Kit[14]; HP BIOS Configuration Utility (download); HP Smart Support
Memory card device	1 SD card reader (optional)
Power	1700 W internal power supply, up to 92% efficiency, active PFC; 1350 W internal power supply, up to 92% efficiency, active PFC; 2700 W aggregate internal power supply, up to 92% efficiency, active PFC; 1700 W redundant internal power supply, up to 92% efficiency, active PFC; 1350 W redundant internal power supply, up to 92% efficiency, active PFC
Dimensions	44.51 x 21.95 x 55.9 cm (without rear handle); 44.5 x 25.35 x 55.9 cm (max side panel without rear handle); (Rack dimensions: 5U with standard side panel, 6U with max side panel. Standard desktop orientation.); 32.6 x 74.7 x 64.2 cm; 44.3 x 73.6 x 64 cm (max side panel) (Package)
Weight	Starting at 22.2 kg; (Exact weight depends on configuration.)
Ecolabels	EPEAT Gold with Climate+[10,11]
Energy star certified	ENERGY STAR® certified (configurations available)
Sustainable impact specifications	Low halogen; 60% post-consumer recycled plastic; 80 Plus® Platinum power supplies available; 25% ocean-bound plastic in system fans; 100% recycled rare earth elements in speaker magnet; Contains at least 20% post-industrial recycled steel; 85% ITE-derived closed loop plastic in bezel[12,28,29,30,31,36,37]
TCO certified	TCO Certified, generation 10[63]
Compatible displays	All HP Z Displays and HP DreamColor Displays are supported. For more information see http://www.hp.com/go/zdisplays

HP Z8 Fury G6i Workstation Desktop PC

Accessories and services (not included)

HP 205 Sanitizable Desk Mat		Elevate your space with an anti-slip, durable, sanitizable[1], and spill-resistant desk mat. With effortless gliding and pinpoint accuracy, stay comfortable and tie your whole desk together with this durable desk protector. **Product number: 8X597AA** [1] Select household wipes can be safely used up to 1,000 wipes. See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Clean Your HP Device Whitepaper (https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW) [2] Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT® standard.
HP 625 FHD Webcam		This Windows Hello compatible[1] webcam logs you in seamlessly and securely while AI-enhancements help you look good from the start. Effortlessly look your best wherever you find yourself with Full HD resolution, customization and automatic background adjustments. **Product number: 6Y7L1ET** [1] Requires PC with Windows 10 or higher. [2] Requires downloadable software on Poly.com/lens. Host PC requires Windows 10 or higher.
HP 725 Multi-Device Rechargeable Wireless Keyboard and Mouse Combo		Work confidently with tech that keeps you productive, whenever and wherever. This thoughtfully-designed wireless keyboard and mouse work as hard as you do with ultra-fast charging supercapacitor technology, seamless connectivity, and customization. **Product number: 9T5B0UT** [1] Fast charging is based on USB Type-C ®-- 3.0 port (5V, 2.5A). The actual charging time may vary depending on the port type and environmental conditions. Usage life is an estimate and varies depending on many factors, including number of active, idle and asleep hours of use, number of applications running, environmental conditions, and features used; actual usage life will vary with usage and environmental condition. [2] USB-C to USB-A adapter cable included.
HP Ultra-Fast-Scroll Wireless Mouse 785M		Work without interruptions with an ultra-fast mouse with advanced scrolling capabilities, quick charge,[1] and programmable shortcuts.[2] Navigate efficiently through demanding tasks with a dedicated horizontal scroll wheel and easy dual-mode connectivity. **Product number: B8YX4AA** [1] Fast charging is based on USB Type-C ®-- 3.0 port (5V, 3.0A), the actual charging time may vary depending on the port type and environmental conditions. [2] Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store or Apple Store.

HP Z8 Fury G6i Workstation Desktop PC

Footnotes

Messaging Footnotes

[7] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOSupdate to take full advantage of Windows functionality. Windows 11 Pro is automatically updated, which is always enabled. ISP fees may apply and additionalrequirements may apply over time for updates. See http://www.windows.com .
[8] Intel vPro® Enterprise technologies are available only on Intel® Xeon® W-3500 and Intel® Xeon® W-2500 processors. Intel vPro® requires Windows 10 Pro 64bit or higher, a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or Wi-Fi 6E WLAN and TPM 2.0. Some functionality requires additional3rd party software in order to run. Features of vPro® Essentials and Enterprise vary. See http://intel.com/vpro .
[9] Error Correction Code (ECC) memory enables enhanced data reliability. ECC memory is only available on Intel® Xeon® processor options.
[10] Memory is an optional feature that must be configured at purchase.
[1] HP Z Boost requires client device with Windows 10 or Windows 11 OS and Vulkan Runtime for devices without a GPU, or WSL2 with Ubuntu 22.04 or Ubuntu 22.04LTS or greater. Host device for sharing GPU(s) must be a HP Z workstation with NVIDIA professional grade workstation GPU(s) of Pascal architecture or later withan installed driver version 535 or greater, and a CUDA driver version 11.2 through to 12.3, Windows 10 or Windows 11 OS (WSL is not supported), or Ubuntu 22.04LTS or greater or Debian 11 or greater with libatomic1, libnuma1, libvulkan1, libgl1, libglib2.0-0 packages installed. Network connection required. Join waitlist tobe considered for selection for early access.
[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology.Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement ofclock speed. Features and software that require a NPU may require software purchase, subscription or enablement by a software or platform provider, and third-partysoftware may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.
[3] HP Remote System Controller is sold separately. Internet access required.
[4] Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT standard for computers, IEEE1680.1-2018 standard.
[5] Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams.
[6] EPEAT tier levels may vary by country. See www.epeat.net for registration status and tier levels by country.
[11] Optional, configurable features. Configuration for 104TB requires separate additional purchase. For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 35GB is reserved for system recovery software.
[12] Redundant and aggregate power requires configuring two 1350W power supplies at hardware purchase.
[13] The Max Side Panel is an optional, configurable feature.
[14] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
[15] Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
[16] Third party software sold separately.
[17] HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features.
[18] HP Smart Sense requires Windows 10 or higher.
[19] SuperSpeed USB 20Gbps is not available with Thunderbolt™ 5.

Specification Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com .
[2] Windows 11 Pro for Workstations and Windows 10 Pro for Workstations can be preinstalled. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
[3] Not all features are available in all editions or versions of Ubuntu. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS to take full advantage of Ubuntu functionality. Ubuntu may be automatically updated. ISP fees may apply and additional requirements may apply over time for updates.
[4] For detailed Linux® OS/hardware support information, see: http://www.hp.com/support/linux_hardware_matrix .
[5] Intel vPro® requires Windows 11 Pro 64 bit or higher, a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and TPM 2.0. Some functionality requires additional 3rd party software in order to run. Features of vPro® Essentials and Enterprise vary. See http://intel.com/vpro .
[6] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 35GB (for Windows) is reserved for system recovery software.
[7] Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 Double Sided-Version 1.0 Media. No support for DVD RAM.
[8] With Blu-Ray, certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require a DVI or HDMI digital connection and your display may require HDCP support. HD-DVD movies cannot be played on this Desktop PC.
[9] Optional or add-on feature.
[10] EPEAT tier levels may vary by country. See www.epeat.net for registration status and tier levels by country.
[11] TCO Certified configurations available when ENERGY STAR configurations are selected with a USB Type-C® connector. ENERGY STAR available with a combination of high-performance CPU's, high-performance GPU's and select memory configurations.
[12] External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
[13] HP Support Assistant requires Windows and Internet access.
[14] HP Manageability Integration Kit can be downloaded from http://www8.hp.com/us/en/ads/clientmanagement/overview.html .
[15] HP Sure Click requires Windows 11 Hoome and above. See https://bit.ly/2PrLT6A_SureClick for complete details.

HP Z8 Fury G6i Workstation Desktop PC

Footnotes

Specification Footnotes

[16] HP Sure Start Gen7 is available on select HP PCs and Workstations. See product specifications for availability.
[17] HP Sure Recover is available on select HP PCs, requires Windows 11 and above and an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. Network based recovery using Ethernet requires an HP Ethernet port or adapter (sold separately); using Wi-Fi is only available on select PCs.
[18] HP Sure Sense requires Windows 11 Home and above and supports Microsoft Edge, Google Chrome™, and Chromium™. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files in read only mode, when Microsoft Office or Adobe Acrobat are installed.
[19] HP Sure Run Gen5 is available on select HP PCs and requires Windows 10 and higher.
[20] HP Sure Admin requires Windows 10 or higher, HP BIOS, HP Manageability Integration Kit from http://www.hp.com/go/clientmanagement and HP Sure Admin Local Access Authenticator smartphone app from the Android or Apple store.
[21] HP Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 Rev 1 "Clear" sanitation method. HP Secure Erase does not support platforms with Intel® Optane™.
[22] HP BIOSphere Gen6 features may vary depending on the platform and configurations.
[23] HP Wolf Pro Security Edition is available preloaded on select SKUs, and, depending on the HP product purchased, includes a license with a term length communicated to you at purchase and in your order confirmation email. The HP Wolf Pro Security Edition software is licensed under the license terms of the HP Wolf Security Software - End-User license Agreement (EULA) that can be found at: https://support.hp.com/us-en/document/ish_3875769-3873014-16 as that EULA is modified by the following: 7. Term. Unless otherwise terminated earlier pursuant to the terms contained in this EULA, the license for the HP Wolf Pro Security Edition is effective upon 4 months after the date the HP Product was shipped by HP and will continue for the term communicated to you at purchase and in your order confirmation email ("Initial Term"). At the end of the Initial Term you may either (a) purchase a renewal license for the HP Wolf Pro Security Edition from HP.com, HP Sales or an HP Channel Partner, or (b) continue using the standard versions of HP Sure Click and HP Sure Sense at no additional cost with no future software updates or HP Support. Notwithstanding the foregoing, the license shall expire no later than one year after the fixed term of the subject license ends.
[24] All Flex IO options are installed in the rear bulkhead without requiring a PCIe slot.
[25] Intel VROC NVMe SSD Module not available with Ubuntu.
[26] Wi-Fi 7 requires a Wi-Fi 7 router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 7 is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 7 is supported. Note that the MT7925 Wi-Fi 7 adaptor is available as a Flex IO or PCIe Card for Z4 G6i, but only as a PCIe Card on Z8 Fury G6i.
[27] The NVIDIA® Mellanox ConnectX-6 DX Dual Port 10/25GbE SFP28 NIC and the HP 10/25GbE SFP28 Fiber Network Module requires a transceiver in order to connect to a network. Transceivers sold separately.
[28] Percentage of ocean-bound plastic contained in each component varies by product.
[29] Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 standard.
[30] 100% outer box packaging and corrugated cushions made from sustainably sourced certified and recycled fibers.
[31] Fiber cushions made from 100% recycled wood fiber and organic materials.
[32] 8 TB M.2 not available in the Front Removable; Front removable storage drive not available with second HDD; Four of Eight internal PCIe M.2 locations are enabled by the HP Z Turbo Drive Quad Pro PCIe® SSD carreir.
[33] HP PCs with Windows require Windows (Windows 10 or 11, specify) to be installed on SSD. HDD can only be configured as additional data drives and not as the boot drive.
[34] Front removable storage drive not available with second HDD.
[35] 8TB not available in the Front Removable.
[36] System has a QR code enabled experience where the user has access to a product portal – beginning December 2025, this is complete with product feature highlights, sustainability information, getting started guides, and direct setup and support options.
[37] New Energy Consumption dashboard available to customers providing timely carbon usage including recommended actions users can take to decrease carbon footprint.
[38] HP Driver Packs not preinstalled, however available for download at http://www.hp.com/go/clientmanagement .
[39] HP Image Assistant not preinstalled, however available for download at https://ftp.ext.hp.com/pub/caps-softpaq/cmit/HPIA.html .
[63] TCO Certified is an ISO 14024 Type 1 sustainability label for IT products. Compliance with all criteria is independently verified.
