

User Manual

DREAME Brush for H14 Dual/G10 Combo

Description

If the brush in your vacuum cleaner has worn out, replace it with a new one to continue effectively removing dirt from floors. This accessory fits the Dreame H14 Dual and G10 Combo models and allows for easy replacement of the worn part.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, the product may be damaged. Furthermore, improper use may cause hazards. Read the user manual thoroughly and keep it for future reference. The safety instructions contained in the manual must be read and followed.

1. The product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning properly), use must be stopped and the product secured against further use.
5. The product must be handled with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, it is necessary to contact a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office

(email: hurt@innpro.pl, website: <https://innpro.pl/>) or another qualified specialist.
